Elias Weber Bingeman Snider¹⁰ the son of the Rev. Elias Snider and Hannah Bingeman was born on June 19, 1842. From the age of 12 he worked on his father's farm near Waterloo. At 17 he apprenticed in his father's flour mill at German Mills and in 1864 when the mill was not prospering he became its manager on a share basis. This was the first example of the business acumen which later brought him wide success in varied fields of industry. In 1871 he bought a flour mill in St. Jacobs and moved his family to that village. Later he bought mills in New Dundee and in Iowa. In the St. Jacobs mill he installed the first roller process milling machine in Canada. In 1884 he purchased Jacob Bricker's foundry in Waterloo which later along with the Merner foundry became the Waterloo Manufacturing Company. Mr. Snider held the position of president of this Company for the rest of his life. The demand for the farm machinery produced by this Company was so great

William Weber Snider¹² the son of E. W. B. Snider and
Nancy Weber was born in St. Jacobs on Feb. 25, 1872. After attending
 the St. Jacobs public school he spent a year at Naperville College,
Illinois. In his youth he worked in his father's mill at St. Jacobs
 and later bought it from him. He continued to operate it until
 1919 when he sold it to Walter Snider of Conestoga. After his
 retirement from milling Mr. Snider showed sound judgment in
 financial matters. He became president of the Canada Felling Company
 in St. Jacobs, and of the Anthes Foundry Company in Toronto. He
 was a charter member of the Waterloo Historical Society. On
 the death of his sister Lola he suggested that her bequest
 to the village take the form of a library. Mr. Snider was the
 first chairman of the Library Board and continued in that
 position for almost 30 years. During his life-time residence in
St. Jacobs he showed great interest in village affairs and
 generously supported the Evangelical church. Mr. Snider married
Alice Snyder of St. Jacobs in 1898. Although their formal education
 was limited they travelled and read widely and sent their
 five daughters to college. Mr. Snider's creative imagination
 found expression in his home and in his garden, four and a
 half acres which at the time of his marriage he bought
 from his father and made beautiful with trees and flowers.
