Dear mother and Brothers  
How are you doing? Hope fine, I  
am sending you the names of  
the fellows up here in camp,  
when you are through with them  
please put them into my ~~drawer~~  
drawer or ~~some~~ <sup>some</sup> place where  
they are safe because I want them  
again when I get home

How is your swany ~~red~~ <sup>red</sup>? Can't  
you ever ride horseback or skate  
again or are you just ~~tot~~ laid  
up for a few weeks? Is your nose  
abright again and thanks for  
writing me that letter

By the way how many pigs will  
you have left in that pen after  
you shipped them 4 and what do  
to Dolly getting a weeb

Thanks for the stamps and the

2

letter you sent me, my rubbers  
are big enough, The food I get  
up here is good and the work  
up here is just as a fellow makes  
it he can work hard or take  
it easy, and you know I am  
not so very fond of hard work  
so I take it easy

Tonight I will start taking my  
first aid course (and say Wilfred  
I got a letter from Nellie) I will  
sent you some pictures in my  
next letter I've got 12 pictures so  
far and expect to get more, so far  
9 of the 12 pictures are too large  
for the ~~envelopes~~ envelopes, We  
got the first culvert dug out now  
and are at the second

Well Mother you each ~~can~~ write  
me letters but I guess you can all  
read the one letter I write for all  
of you everytime, I guess my <sup>envelope</sup> ~~envelope~~  
will be full enough so I must close  
P.S. Everybody write back  
yours truly  
Gordon

I'll write again in a few days and give you more details
