

Seating Lookup

For courses using assigned seating, you may look up your seat location here if you do not already know it.

If you are in the PAC GYM, your seat assignment is posted on the door to the gym at your entrance. This list tells you what entrance to use.

If you are elsewhere, this list gives you your exact seat assignment.

Note:

- For PAC UB, go to Blue North and then go upstairs all the way.
- For PAC UR, go to Red North and then go upstairs all the way.
