Agenda	Item Facilitator	Discussion
Motion to begin	Jennifer	Sahil, Alyssa
Social Rep report	Social Reps	Hannah: Google form poll was created and all the winners were notified and received their gift cards (From Sarah). Thrive week attendance will be low if conducted near exam season. They have decided to go forward with it early next term. Chris: Future events: Eyeball. Wanted to know if they have connected with the third year. Jin: Corneal cup and Thrive week at the same time may be too much. Has information from Alyssa

		from last year regarding Eyeball, will update the social reps and get the events sorted out.
1st Year Sport Rep report	1st Year Sport Reps	Brandt: waiting on the invoice for jerseys and looking into booking events (ie. beach volleyball), buses, and venues.
2nd Year Sport Rep report	2nd Year Sport Reps	Ashely: Also waiting on the invoice for jersey (Krish is looking into basketball event).
3rd Year Sport Rep report	3rd Year Sport Reps	Sahil: Communicate CIF with arena but still cannot book yet. There is a varsity game on Friday, Jan 14th (usually when we host our final game). Finals will have to be on another week. Looking to see if other sports reps have anything booked so they can work around the first and second years. Waiting for CooperVision for sponsorships. Starting to do a pamphlet and try to get it done at least at the very beginning of January. Chris: We do not want all the events to be on the same week, usually volleyball and basketball are at the end of January. Sahil: Eric has been reminding CIF regarding booking. In a couple of days, we should have things settled and know a timeline.
1st Year Equipment Rep report	1st Year Equipment Reps	Bhaviethra: placed the orders for reading cards and reps for trial lens kit are planned for Winter Term. Chris: We want the orders done before break, but the orders are finalized after the break. Wanted to know if they can get the equipment by September. Bhaviethra: The second years ordered in march and received the order in September. Chris: Start organizing presentation for diagnostic kits. Because it is usually done early.
2nd Year Equipment Rep report	2nd Year Equipment Reps	Wincy: to the first year: Do everything as early as possible due to delays. Diagnostic equipment as well. Presentations were done online after exams. Currently emailing all the companies for BIO presentations, trying to get the presentations before the end of the year. Hope we can order them before January. Borrow the equipment and have people try it in the lab.
3rd Year Equipment Rep report	3rd Year Equipment Reps	Sanjay: Reps will leave equipment in the library. Work with the distributors to have them leave the equipment.

		<p>Third years have ordered everything at this point. And creating a presentation to the first and second years regarding diagnostic kits and etc.</p> <p>Bethany: Third year ordered the trial lens in November and finalized early January. Able to get it in September. Make sure to order early so that at least you can get them on time</p>
1st Year Class report	Nina/Audrey	<p>Nina: Set up a google form for Skit night. As of now, the interest is low. Dr. Khan did reach out to the class presidents to get a list of questions regarding the next term.</p>
2nd Year Class report	Aisa/Hellen	<p>Asia: Questions were sent to Dr.Khan. Dr. Khan emailed and wanted to hold a meeting for end-of-term feedback. Hopefully, they can find a day where the president and vice-president can meet with Dr. Khan and Dr. Hutchings. Released google form regarding feedback and will share the format Nina.</p> <p>Jennifer: Dr. Hrynychak and Dr. Khan are working on the equipment that professors recommend. It may take a while to create, I will follow up on this and let them know.</p>
3rd Year Class report	Janet/Anika	Nothing to update.
Next Meeting Date/Time	Chris	Chris: Sometime in January (closer ot the start of term) and will post a poll so that we can vote.
Motion to end	Jennifer	Jerry and Sahil
