Agenda:

Agenda	Item Facilitator	Discussion
Motion to begin meeting	Aliya	First: Oskar Second: Claudia
Thrive Week Overview	Elects and Social Reps	Went Well: Big thanks to the social reps for running the fitness class and the physical activity challenge. Good turnout for the class. High participation from the second years. Do better: Would've been better to have a bit more time for planning

		purposes since the week got busy with tests. **Chris:** Warm Fuzzies was difficult because there was just not enough time. **Jen Li:** Better for first years to have group activities, so that they can have more face to face activities. **Claudia:** Idea for next semester - group people randomly among all four years. Do scavenger hunts and clues together - either virtually or in person **Aashna:** Tiktok challenge was successful, good amount of participation and the gift cards have all been handed out. **Vicky:** next thrive week will be next february **Aliya:** Send a google form to people who want to sign up for these small group activities.
Corneal Cup Replacement Event	Sports Reps	**Oskar:** a pool, lots of people from each year pick a player and then the team that averages the most points wins. NHL 2K tournament is a possibility but it would be difficult since not everyone has a console - A list of predetermined players, ranked by tier, - Each student chooses a certain number of players per tier - Fantasy hockey - Don't know if the NHL is starting back **Sean:** the NBA Season is returning Dec 22nd , College basketball is starting back up for march madness? **Pam:** there must be some multiplayer game that people can take part in - does not have to be a hockey game. Sharing screen with reps from each year, so you can cheer people on **Alicia:** among us tournament?

		Mitch: dustin and him are familiar with among us and would be able to head that up, **will look up ways to make it a contest** **Claudia:** maybe just wait til march madness happens since that will be more engaging **Josh:** get prez to put a poll out to classes asking what game they would prefer. Among Us is the most logistically inclusive
Corneal Cup Pamphlet	Sports Reps	First year roster or 10-15 volunteers -send to third year sports reps so that they are included -no skill required, just need to be a good sport **Dustin:** still wants to do the pamphlet, worst comes to worse we get a highlight reel of Mitch Elliotts fights **4th year - cindy:** just use roster from last year but may change it so new people get roasted
Survey Results	Cedric and Equipment reps	The changes have been made to the google form but it has not been released yet. It is not a rush item so it is still in the works.
Microwave Update	Execs	**Vicky:** Going to get the materials for the microwaves to be cleaned in January, remind people to use the lids to keep them clean **Emily Lant:** honour system by providing supplies **Tanisha:** everyone in UWOSS has to pick one week to clean the microwaves (everyone in UWOSS). 2 people assigned per week.
Skit Night Update	Execs	New date: Saturday March 27th **Vicky:** realized that part 1 of the american boards is on the 16-19th. Third years will need sometime to relax
