FLOODS: KNOW YOUR RISKS

FLOODS HAPPEN. IT'S UP TO YOU TO KNOW YOUR RISKS.

PLAN FOR YOUR RISKS

- ☔ Talk to your local government, insurer, real estate agent and neighbours about your risks.
- ☔ Check online for available local flood maps.
- ☔ Sign up for local weather watches, alerts and warnings.

PREPARE WITH YOUR COMMUNITY

- ☔ Know who needs help, and who to ask for help in your community.
- ☔ Work together before, during and after a flood.
- ☔ Sign up for local weather alerts and be prepared.
- ☔ Talk about your emergency plans with your neighbours, friends and family.
- ☔ Be aware of emergency services and safe areas within your community.
