Getting Here:

From Toronto (travelling West on Hwy 401)

- Take Hwy 8 W cut-off (Exit 278A) for Cambridge/Kitchener/Waterloo
- Keep right and follow signs for Hwy 8 Kitchener/Waterloo

From London (travelling East on Hwy 401)

- Take Hwy 8/King St E (Exit 278B) toward Kitchener/Waterloo

- Keep left and continue straight following signs to King St & Hwy 7/8 West (do not take Hwy 7/8 W)
- Stay left and continue straight onto King St E/Downtown; proceed through Downtown core
- Turn left onto Francis St S
- Turn right at first lights (Charles St W), continue straight across Victoria St S. Continue to the end of the laneway (the road will curve right) and into the School of Pharmacy Visitors Parking, LOT 1
Parking Policy:

1. **Visitors to the School of Pharmacy:** The School of Pharmacy’s visitors’ parking lot is located directly behind the Pharmacy building, LOT 1. The parking lot entrance is located at the corner of Charles Street and Victoria Street. Be sure to drive **straight ahead (with a curve to the right)** until you enter the lot. If the lot is full, please see point 2 for below for alternate parking.

   **Please note:** there is also a parking lot on the left hand side as you drive to the back of the building, **this is NOT our parking lot and we cannot provide tokens for exit.**

   Once you are parked you will need to enter the building by the front door (off Victoria Street); a parking token for our lot can be purchased for $5.00 from the security desk, or pay $10.00 by credit card at the gate when exiting the lot.

   University of Waterloo faculty/staff from main campus who hold a **valid faculty/staff parking permit** are allowed to park in the School of Pharmacy’s parking area (LOT 3) with their pass. Ensure the permit is clearly displayed in the vehicle while on campus.

2. **Permit Parking:** Permit parking in LOT 3 is reserved for faculty, staff and students who hold valid parking passes. However, if our visitors’ lot is full, then overflow can park in LOT 3. You will need to park your car, check in with security and purchase a temporary day permit to be placed in your vehicle.

3. **City of Kitchener Parking:** Visitors to the area may park in City of Kitchener managed parking. There are limited spots on Charles St., as well as several hourly (and monthly) lots within a five-minute walking distance. For more information, see the City of Kitchener Parking Map.

4. **Parking Disputes:** School of Pharmacy staff and personnel are not responsible for handling parking disputes. All matters related to parking should be directly to Parking Services. You can contact the Manager of Parking Services in person (at main campus) or by telephone at 519-888-4567, ext. 33510.

   **Note:** LOTS 1, 2, & 3 are monitored by University of Waterloo Parking Services
