DID YOU KNOW...

that after legalization of cannabis in Colorado, accidental cannabis poisoning of young children rose 34% per year...

REMEMBER TO SAY OOPS TO PREVENT ACCIDENTAL POISONINGS IN CHILDREN

OUTSIDE
If you use cannabis by smoking joints, or using vaporizers, use outside to avoid exposure to second-hand smoke.

OUT OF SIGHT
Ensure you use out of view of children, particularly when using edible forms of cannabis.

PROPER DISPOSAL
Make sure you dispose of all unused cannabis and related products.

SECURE STORAGE
Keep cannabis and related products out of reach and out of site.
