

Curriculum Vitae

PIERRE FILION

PERSONAL

Citizenship: Canadian and Irish (European Union)

EDUCATION

1974 D.E.C. Social Science and Literature, C.E.G.E.P. du Vieux-Montréal

1977 Bac. Journalism/Political Science, Université Laval

1979 M.A. Political Science, Université Laval

(Thesis title: Les principes d'intervention étatique dans le processus de réaménagement du centre-ville de Québec.) (Louise Quesnel, advisor)

1983 PhD Urban Studies, University of Kent, Canterbury

(Thesis title: Transport Policies in London 1965-1980: A Study of Political Conflict and Social Injustice.) (Chris Pickvance, advisor)

Doctoral studies funded by a Fonds FNAC pour la recherche (Quebec Ministry of Education) doctoral fellowship (approx. \$32,000) and a SSHRC doctoral fellowship (approx. \$45,000).

EMPLOYMENT

1996- Professor, School of Planning, University of Waterloo

1990 to 1996 Associate Professor, School of Planning, University of Waterloo, cross-appointed with the Department of Geography and with the Department of Environment and Resource Studies

1985 to 1990 Assistant Professor, School of Planning, University of Waterloo

1983-1985 Assistant Professor, Department of Geography, Queen's University

1983 Lecturer, Department of Political Science, Université Laval

ACADEMIC AND PROFESSIONAL INTERESTS

The political economy of the city

Core area revitalization

Neighbourhood Planning

Metropolitan Region Planning

Transportation-land use relationship

Suburban infrastructure

PROFESSIONAL MEMBERSHIP

Canadian Institute of Planners
Ontario Professional Planning Institute (Registered Professional Planner, RPP)
Regional Studies Association
Urban Affairs Association

CITATION COUNT: 3181; h-index: 30; i10-index: 67 (from Google Scholar, October 2020)

CONFERENCE PARTICIPATION

Conference Papers

- 2018 Paper entitled "Centres and Transportation Flows in the Dispersed Canadian Suburbs", Spaces and Flows Annual Conference, Heidelberg, October (with Neluka Leange).
- 2018 Paper entitled "Progressive Economic Development and Other Lies: The Difficult Convergence between Progressive Economic Development Policies and Outcomes", American Political Science Association Annual Conference, Boston, August (with Laura Reese and Gary Sands).
- 2018 Paper entitled "Planning from a *Longue Durée* Perspective: Lessons from Downtown Toronto Development, 1945-2015", Urban Affairs Association Annual Conference, Toronto, April.
- 2018 Paper entitled "Prioritizing Pedestrians to Increase Urban Growth Centre Activities: A Transformational Intervention, the Greater Golden Horseshoe, Canada", Urban Affairs Association Annual Conference, Toronto, April (with Neluka Leange).
- 2017 Paper entitled "Ontario's Midsize Cities: Challenges and Opportunities", Canadian Association of Geographers Annual Conference, Toronto, May (with Neluka Leange).

- 2017 Paper entitled “Urban Dispersion Waterloo Style”, Canadian Association of Geographers Annual Conference, Toronto, May.
- 2017 Paper entitled “Les TODs d’ordre supérieur à Toronto: Effet de centralisation et de dépendence à l’endroit de l’automobile”, ACFAS Annual Conference, Montréal, May.
- 2017 Paper entitled “Suburban Multifunctional Centres as Alternatives to Dispersion? A Canadian Analysis”, Urban Affairs Association Annual Conference, Minneapolis, MN, April.
- 2017 Paper entitled “Suburban Multifunctional Centres as an Alternative Form of Suburban Development”, Gesellschaft für Kanada-Studien Annual Conference, Grainau, Germany, February.
- 2016 Paper entitled “Nodal Planning Strategy in Metropolitan Toronto”, Institut des politiques alternatives de Montréal, Montréal, November.
- 2016 Paper entitled “Promoting Recentralization in Metropolitan North America: Metropolitan Planning Proposals and their Transformative Potential”, Regional Studies Association Annual Conference, Graz, Austria, April (with A Kramer and G. Sands).
- 2016 Paper entitled “Suburban Multi-functional Centres: Their Potential for Metropolitan Structure Change and the Obstacles to their Implementation”, Urban Affairs Association Conference, San Diego, March (with Sara Saboonian).
- 2016 Paper entitled “Les centres multifonctionnels de banlieue en tant qu’instruments de recentralisation urbaine”, Journée de réflexion, Chaire In SITU, UQAM, Montréal, January.
- 2015 Paper entitled “Néolibéralisme et austérité en Ontario: Deux exemples de néolibéralisme par conviction”, keynote presentation for the Séminaire du centre de recherche sur le développement territorial, Quebec City, October.
- 2015 Paper entitled “Suburban Governance in Toronto”, Suburban Governance in an Era of Globalizing Urbanization Workshop, Université de Montréal, Montréal, October (With R. Keil).
- 2015 Paper entitled “La redécouverte de la proximité urbaine aux États-Unis et au Canada”, Journées de la proximité, Université de Tours, Tours, France, May.

- 2015 Participation to a round table “Conceptualisation et approches de la proximité: dialogue interdisciplinaire”, Journées de la proximité, Université de Tours, Tours, France, May.
- 2015 Paper entitled “Young Adult Geographies and Metropolitan Structure in North America”, American Association of Geographers’ Annual Conference, Chicago, April (with M. Moos and R. Walter-Joseph).
- 2015 Participation to a panel on Alberta suburban growth, organized by the Program in Planning, University of Alberta, March.
- 2014 Paper entitled “Coordination entre transports collectifs et forme urbaine à Toronto”, Entretiens du Centre Jacques Cartier, Montréal, October.
- 2014 Paper entitled “Major Urban Transportation Transitions over the Last One Hundred Years: Lessons for the Future”, Annual Conference of the Transportation Association of Canada, Montréal, September.
- 2014 Paper entitled “Pourquoi la recentralisation comme modèle dominant de densification en Amérique du nord”, Rencontres Villes Régions Monde: Villes et densification: Un mariage de raison, Montréal, June.
- 2014 Paper entitled “La grande région de Toronto: Défaillances administratives et problèmes d’aménagement”, Institut d’urbanisme de l’Université de Montréal, colloque sur La gouvernance métropolitaine à l’enseigne de la planification territoriale et de la participation publique, Montréal, May.
- 2013 Paper entitled “Urban Dispersion and the Elderly: When Capacities Decline in an Environment that Demands High Levels of Competence”, Institute for Research in Public Policy Symposium: Age-friendly Communities in Ontario, Toronto, October.
- 2013 Paper entitled “From Dispersion to Recentralization? North American Metropolitan Planning Models and Strategies”, Society for American City and Regional Planning History Conference, Toronto, October (with Anna Kramer and Gary Sands).
- 2013 Keynote entitled “Suburban Infrastructures and Social Justice”, A Suburban Revolution?: An international conference on bringing the fringe to the centre of global research and practice, Toronto, September.

- 2012 Paper entitled “The State of Adaptation Planning in Canada”, ICLEI Canada Conference, Hamilton, November (with K. Hanna, A. Dale, C. Ling and M. Seasons).
- 2012 Position paper on suburban planning and policies given at the workshop entitled “Suburban Land Question: A Global Issue” held in Montpellier, France, within the framework of the Global Suburbanisms project, October.
- 2012 Participation to the concluding panel, “Going to School: A Transit Summit”, York University, Toronto, September.
- 2012 Paper entitled “Bodies in Movement – Drawing the City Rhythm” at the 2nd International Congress on Ambiances, Montréal, September (with E. Takaki).
- 2012 Paper entitled “From Dispersion to Recentralization: Can Planning Redefine Urban Development?”, keynote presentation given at the Association of Professional Community Planners of Saskatchewan, Annual Conference, September.
- 2012 Paper entitled “Urban Planning and the Risk of Disasters: A Content Analysis of Planning Documents from Major Urban Areas in Japan and Canada” at the ICLEI Resilient City Conference, Bonn Germany, May.
- 2012 Paper entitled “Are Canadian Urban Economies Distinct? Does One Strategy Fit All?” at the Re-imagining Our Cities: Toward a Comprehensive Strategy for the Urban Economies of Southern Ontario Workshop, Toronto, April.
- 2012 Paper entitled “Shifting Transportation Trends? Stasis and Change in North American Metropolitan Regions” at the Models of Mobility Workshop, York University, Toronto, March.
- 2012 Paper entitled “The Fundamentals of a Healthy Downtown: Lessons from Toronto and Chicago”, at the AAG Annual Meeting, New York, February, with Igal Charney and Rachel Weber.
- 2012 Participation in a panel session on Suburbanism and the Future, at the AAG Annual Meeting, New York, February.
- 2012 Paper entitled “Intensifying the Suburb: Lessons from Residential Densification Strategies in Toronto Suburbs, 1945-2012”, at the AAG Annual Meeting, New York, February.

- 2011 Paper entitled “Urban Systems and Urban Structures: Shifting Economics and Urban Spaces”, at the European Union Centre of Excellence Conference labelled Centre and Periphery in a Federated Structure: Canada and the EU, Toronto, September.
- 2011 Paper entitled “The Morphology of the North American Suburb: Tensions between Factors of Evolution and of Inertia”, at the International Seminar on Urban Form, Montréal, August, with Ute Lehrer.
- 2011 Paper entitled “Tendencies in the Contemporary Suburb”, at the Canadian Political Science Association Annual Conference, Waterloo, May.
- 2011 Paper entitled “Downtown Remaking in Chicago and Toronto: Residential Development in the Early 21st Century”, at the Urban Affairs Association Conference, New Orleans, February, with Rachel Weber and Igal Charney.
- 2010 Paper entitled “How to Adapt to Demographic Changes for Functional, Accessible, Sustainable Suburbs”, at the Retrofitting and Planning Sustainable Suburbs Conference, Toronto, December.
- 2010 Paper entitled “La question des espaces centraux”, keynote presentation at the UQAC Conference on the Downtowns of Mid-Size Cities, Chicoutimi, Que., November.
- 2010 Paper entitled “Urban Intensification Models and Metropolitan-Scale Planning in North America”, with Anna Kramer, at the Atlantic Planning Institute Annual Conference, Moncton, NB, November.
- 2010 Paper entitled “Urban Intensification Models and Metropolitan-Scale Planning in the US”, with Anna Kramer, at the ACSP Annual Conference, Minneapolis, MN, October.
- 2010 Presentation on the state of urban research in Canada at the INRS Urbanisation, culture et société symposium, Montréal, June.
- 2010 Paper entitled “Urban Intensification Models in Toronto: Their Potential for Implementation and their Expected Impact”, with Anna Kramer, at the Private Property, Planning and the Public Interest Conference, Faculty of Law, University of Windsor, Windsor, Ont., March.
- 2009 Panel member of Canadian Institute of Health Research Café Scientifique entitled Urban Heart Health: You are where you live..., Kitchener, Ont., February.

- 2009 Paper entitled “Restructuring North American metropolitan regions: The role of downtowns, nodes and corridors” at the seminar entitled Planning for Intensification, Munk Centre for International Studies, University of Toronto, January.
- 2008 Paper entitled “Intensification and Sprawl: Residential Density Trajectories in Canada’s Largest Metropolitan Regions”, with T. Bunting, D. Pavlic and P. Langlois, ACSP-AESOP, Chicago, July.
- 2008 Paper entitled “Planning Context and Urban Intensification Outcomes: Sydney Versus Toronto”, with G. Searle, ACSP-AESOP, Chicago, July.
- 2008 Paper entitled “Planning for Urban Dispersion: How to Mitigate Social and Environmental Effects”, In-between Infrastructure: Urban Connectivity in an Age of Vulnerability Workshop, York University, Toronto, February.
- 2008 Paper entitled “The Future of Urban Canada: Can We Bridge the Gap between Planning Objectives and the Urban Reality”, Life Long Learning Group, Kingston, Ont., January.
- 2007 Paper entitled “Aménagement et réalité urbaine: un fossé grandissant ou émergence de nouvelles formes urbaines”, keynote presentation for the 35th anniversary of the Université Laval École supérieur en aménagement, December.
- 2007 Paper entitled “Planning Lessons from Toronto: What North American metropolitan Regions Can Learn from Toronto”, Association of Canadian Studies in the United States, Toronto, November.
- 2007 Paper entitled “Social and Political Dynamics of the Canadian Suburb”, given to a short course within the framework of the American Political Science Association conference, Chicago, August.
- 2007 Paper entitled “Metropolitan Planning in Toronto: Towards Smart Growth?”, International Joint Commission bi-annual conference, Chicago, June.
- 2007 Paper entitled “Smart Growth and Affordable Housing: The Nature of the Trade-off”, American Association of Geographers conference, San Francisco, April.
- 2007 Paper entitled “Urban Trajectories and Infrastructure Needs”, The In-between City Workshop, York University, February.
- 2006 Discussant at the Regional Science Association conference, Toronto, November.

- 2006 Paper entitled “Shopping Mall in the Downtowns of Mid-Size Cities”, World Planners Congress, Vancouver, June.
- 2006 Paper entitled « L’avenir démographique des régions urbaines canadiennes », Association des démographes du Québec annual conference, Montréal, May.
- 2006 Paper entitled “Exploring Policy Implications of Metropolitan Size: Accounting for the Mid-Size Urban Area”, Governance and Spatial Discontinuities workshop, Montréal, April.
- 2006 Paper entitled « L’urbanisme et les villes moyennes: dispersion et revitalisation », keynote for Semaine des sciences sociales, Université du Québec à Chicoutimi, February.
- 2005 Paper entitled «L’aménagement à l’échelle métropolitaine dans la grande région de Toronto», Entretiens Jacques-Cartier, Lyon, France, December.
- 2005 Paper entitled «Gouvernance urbaine: Qu’est-ce qui distingue les enjeux contemporains?», Association d’économie politique annual conference, Montréal, November.
- 2005 Paper entitled “Administrative Structures and Planning Outcomes in Canadian Metropolitan Regions”, Association of Public Policy Analysis and Management annual conference, Washington, DC, November.
- 2005 Paper entitled «Aménagement de masse ou de créneau? L’évolution de l’urbanisme depuis les années soixante», conference to mark the 50th anniversary of the Université de Montréal Department of Sociology, Montreal, October.
- 2005 Paper entitled «Le processus de développement de l’espace urbain en Amérique du nord», conference of the Association d’études foncières, Paris, October (with G. Sands).
- 2005 Discussant for session entitled Community Governance in Economic Development Strategy, joint Canadian Political Science Association-Canadian Association of Geographers’ session for CPSA and CAG annual conferences, London, Ont., June.
- 2005 Paper entitled “From Mass to Niche Planning: The Evolution of Urban Planning in Canada since the Mid-1960s” given at the Canadian Association of Geographers’ Annual Conference, London, Ont., June.

- 2005 Paper entitled “The Downtowns of Mid-Size Cities” given at the Hamilton Public Library, Hamilton, Ont., March.
- 2004 Paper entitled “Canada-U.S. Metropolitan Density Patterns: Zonal Convergence and Divergence” given at the Association for Canadian Studies in the U.S. Annual Colloquium, Vancouver, BC, November (with T. Bunting, K. McSpurren and A. Tse).
- 2004 Paper entitled “The Waterloo CURA Initiative” given at the Second Cities in a Global World Colloquium, Cornell University, Ithaca, NY, May.
- 2004 Paper entitled “The Successful Downtowns of Mid-size Cities” given at the Second Cities in a Global World Colloquium, Cornell University, Ithaca, NY, May (with H. Hoernig).
- 2004 Paper entitled “Smart Growth: Can we overcome the obstacles?” given at the Upwind, Downwind Conference, Hamilton, March.
- 2003 Paper entitled “Smart Growth in the Greater Toronto Area” given at the Urbana seminar, New Orleans LA, May.
- 2002 Paper entitled “Smart Growth: Anything New Under the Planning Sun” given the Pragma Council 2002 Fall Conference, Waterloo, November.
- 2002 Paper entitled “The Canadian Perspective on University-Community Involvement” given at the Great Lakes Economic Development Conference, Buffalo, NY, September.
- 2002 Paper entitled “Neighbourhood Revitalization: A Canadian Perspective” given at the Great Lakes Economic Development Conference, Buffalo, NY, September.
- 2002 Paper entitled “Suburban Differences in Journey Patterns” given at Canadian Regional Science Association Annual Conference, Toronto, June (with T. Bunting, K. McSpurren and B. Appleby).
- 2002 Paper entitled “Successful Core Areas of Mid-Size Cities: What lessons can be learned?” given at Canadian Regional Science Association Annual Conference, Toronto, June (with H. Hoernig, T. Bunting and G. Sands).

- 2002 Paper entitled “Metropolitan Density Patterns: Convergence or Divergence? A Canada-US Comparison” given at the Canadian Association of Geographers Annual Conference, Toronto, June (with T. Bunting, K. McSpurren and A. Tse).
- 2002 Paper entitled “The Economic Locus of Homelessness: Inner City or Suburb?” given at the Canadian Association of Geographers Annual Conference, Toronto, May (with T. Bunting and A. Walks).
- 2002 Paper entitled “Urban Sprawl: A Canada-US Comparison” given at the Pragma Council 2002 Spring Conference, Waterloo, May.
- 2001 Paper entitled «La transformation des grands ensembles de logements publics en Amérique du nord: intégration ou marginalité?» given at the Association d'économie foncière conference under the theme «Ségrégations urbaines et logiques foncières», Paris, November (with G. Sands).
- 2001 Paper entitled “Core Areas of Small- and Middle-Size Metropolitan Regions: Which ones are successful and why?” Given at the ACSP Annual Conference, Cleveland, OH, November (with H. Hoernig, T. Bunting and G. Sands).
- 2001 Paper entitled “The Evolution of Suburban Neighbourhood Planning in the 20th Century” given at the Canadian Association of Geographers' Annual Conference, Montréal, Qué., June (with K. Hammond).
- 2001 Paper entitled “Canadian Mid-Size Cities: Density Gradients and Zonal Statistics” given at the Canadian Regional Science Association's Annual Conference, Montréal, Qué., June (with Trudi Bunting and Heath Priston).
- 2001 Paper entitled “Canadian and US Metropolitan Form: Are we as different as we think?” given at the Canadian Regional Science Association's Annual Conference, Montréal, Qué., June
- 2000 Paper entitled “Housing Strategies for Downtown Revitalization in Mid-Size Cities: a City of Kitchener Profile” given at the Canadian Regional Science Association's Annual Conference, Toronto, Ont., June (with T. Bunting).
- 2000 Paper entitled “Forms of Municipal Governance and of Land Use Planning in the Greater Toronto Area” given at the Canadian Association of Geographers' Annual Conference, St. Catharines, Ont., June.

- 2000 Paper entitled “Centralization, Decentralization and Structural Dominance in Canadian Metropolitan Regions, 1971-1996” given at the Canadian Association of Geographers’ Annual Conference, St. Catharines, Ont., June (with T. Bunting and H. Priston).
- 2000 Paper entitled “Local Governance and Societal Shifts: Decision-Making and Policy Outcomes in the GTA” given at the American Association of Geographers’ Annual Conference, Pittsburgh, PA, April.
- 1999 Paper entitled “Does Planning Make a Difference? Large Scale Planned Communities in the Toronto Area” given at the Association of Canadian Studies in the United States Conference, Pittsburgh, PA, November (with G. Sands).
- 1999 Paper entitled “Between Centralisation and Dispersion: Residential Density Gradients within Canadian Metropolitan Regions, 1971-1996” given at the North American Meetings of the Regional Science Association International, Montreal, November (with T. Bunting).
- 1999 Paper entitled «Les centres-villes de banlieue: agents de densification ou de dispersion?» given at the Vivre en Ville Conference, Quebec City, November.
- 1999 Paper entitled «Les avenir possibles de l’agglomération d’Ottawa-Hull» given at the L’avenir de la capitale conference, Ottawa, May.
- 1999 Paper entitled “Greater Toronto Area Suburban Multi-Use Centres: Instruments of Intensification or Agents of Sprawl?” given at the Urban Affairs Association Annual Meeting, Louisville, KY, April.
- 1998 Paper entitled «Ville et régulation: convergence et divergence» given at the Association d’économie politique annual conference under the theme of «Entre la métropolisation et le village global: les scènes territoriales de la reconversion», Montréal, October.
- 1998 Paper entitled «Les mythes urbains au Canada» given at the conference entitled «Forum sur l’avenir de la mosaïque municipale de la région de Québec», Québec, October.
- 1998 Paper entitled “The Growing Discrepancy Between Planning Principles and Urban Development Tendencies” given at the Canadian Urban Research Network Annual Conference entitled “Urban Affairs: Is It Back on the Political Agenda?”, Ottawa, June.

- 1998 Paper entitled «Le développement économique communautaire à l=ère après-fordiste: possibilités et limites» given at the conference entitled «Vers un nouveau pacte social: État, entreprise, communautés et territoire régional», Chicoutimi, April.
- 1997 Paper entitled «Le recyclage des sites urbains au Canada: potentiel, obstacles et solutions» given at the Association d'économie foncière conference under the theme «Le recyclage des terrains urbains», Paris, October.
- 1997 Paper entitled "Greater Toronto Area Suburban Multi-Use Nodes: Instruments of Intensification of Agents of Sprawl?" given at the Urban Affairs Annual Meeting, Toronto, April (with S. Burke).
- 1997 Paper entitled "Urban Dispersal in Canada: Potential for Reversal?" given at the Urban Affairs Annual Meeting, Toronto, April (with T. Bunting).
- 1997 Keynote address entitled "From Government to Community: the Potential and Limitations of Service Delivery Devolution to Community Groups" given at the Workshop on Community Based Government organized by the City of Burlington, February.
- 1996 Paper entitled "Changing Urban Structure and Employment Distribution: A Metropolitan Detroit and Greater Toronto Area Comparison" given at the ACSP-AESOP Conference, Toronto, July (with Gary Sands).
- 1996 Paper entitled "The Impact of the Oil Resource on Socioeconomic Structure in Alberta, 1970-1991: A Logistic Regression Approach", given at the Canadian Regional Science Association Annual Conference, Canadian Learned Societies Congress, St.Catharines, June (with Ron Anderson and Christian Dufournaud).
- 1996 Paper entitled "Community Economic Development: Setting it in the Real World", CAG Annual Conference, May (with T.E. Bunting).
- 1996 Keynote speaker, paper entitled «Le réaménagement du Programme de doctorat en urbanisme de l'Université de Waterloo» given at the workshop entitled Par delà les frontières disciplinaires: regards sur l'interdisciplinarité, INRS-Urbanisation, Montreal, Que., March.
- 1995 Paper entitled "L'après-fordisme canadien" given at the CAG Annual Conference, Montreal, June.

- 1995 Paper entitled "Space and Place: The Social Geography of the Dispersed City" given at the CAG Annual Conference, Montreal, June (with T.E. Bunting).
- 1995 Paper entitled "Residents' Interests in the Link between Environmental Quality and Urban Form" given at the Conference on Urban Research, Montreal, June, with B. Moore Milroy, L. Autio, I. Skelton.
- 1995 Paper entitled "Community Economic Development's Potential and Limitations: Individual Initiatives and Collective Action in the Present Socioeconomic Context" given at the APA/CIP Annual Conference, Toronto, April.
- 1995 Paper entitled "Metropolitan Land Use and Transportation Planning in Toronto: Obstacles to Intensification" given at the APA/CIP Annual Conference, Toronto, April.
- 1995 Key note address "Downtown Kitchener: Weaknesses and Potential" given at Civic Visions: Downtown Kitchener Design Workshop, Kitchener, Ontario, March.
- 1994 Paper entitled "Linking Urban Building and Environmental Concerns: Constraints and Opportunities" given at the Conference on Urban Research (part of the Learned Societies' Annual Conference), Calgary, Alberta, June (Ian Skelton [main author], Beth Moore Milroy, Wendy Fisher and Lara Autio).
- 1994 Paper entitled "Local Economic Development and Shifting Political-Economic Perspectives" given at the Canadian Association of Geographers Annual Conference, Wilfrid Laurier University, Waterloo, Ontario, May.
- 1994 Paper entitled "Zonal Structural Parameters in Medium-Sized Canadian Agglomerations: A Pilot Investigation of the Kitchener CMA" given at the Canadian Association of Geographers Annual Conference, Wilfrid Laurier University, Waterloo, Ontario, May (with T.E. Bunting and S. Conrad).
- 1994 Paper entitled "Local Economic Development and the Transition to Laissez Faire" given at the American Association of Geographers Conference, San Francisco, CA, April.
- 1994 Presentation entitled "Car Transportation and Neo-Traditional Design" given at the Planning Transportation for Liveable Communities Workshop, University of Waterloo, March.

- 1994 Paper entitled “Urbanization and Economic Transition” given at the Social Planning and Quality of Life Conference, School of Urban and Regional Planning, University of Waterloo, February.
- 1993 “A Thirty-year history of Downtown Kitchener Planning” given at Visions-93 - Building on Success, organized by the City of Kitchener’s Downtown Action Committee, September.
- 1993 Paper entitled «Urbanisation et transition économique: du fordisme à l’après-fordisme» given at the Frontières et territoire session organized by the Association québécoise de science politique, Rimouski, Quebec, May.
- 1992 Paper entitled “Downtown Kitchener” given at seminar on Heritage Planning in an Urban Context, Waterloo, Ont., November (with T.E. Bunting).
- 1992 Paper entitled “CBD Change: The Public Sector Connection” given at the CAG Annual Conference, Vancouver, B.C., May (with T.E. Bunting).
- 1991 Paper entitled «Développement économique et partenariat au niveau municipal», given at the Conference entitled: Le Partenariat à la Rescousse du Développement Local (organized by GRIR, Université du Quebec à Chicoutimi), Chicoutimi, Québec, September.
- 1991 Paper entitled “Actors, Power and Planning Models: Thirty Years of Central Business District Interventions in Kitchener, Ontario” given at the CAG Annual Conference, Kingston, Ontario, June.
- 1990 Paper entitled “Provincial Variations in Determinants of Retrofitting Under the CHIP and COSP Federal Programs” read at the Canadian Association of Regional Science Annual Conference, Victoria, B.C., May-June (with M.R. Ferguson, P. Kanaroglou, C.M. Dufournaud).
- 1989 Paper entitled “Community Dependence and Local Economic Development: Six Ontario Case Studies” read at the International Seminar on Community Development, Arlon, Belgium, June.
- 1988 Paper entitled “Planning and the Changing Patterns Within Canadian Metropolitan Regions’ Older Housing” given at the ACSP Annual Conference, Buffalo, N.Y., October.

- 1988 Paper entitled «L'apport des sciences sociales à l'explication de la gentrification; une question de temps et d'espace» given at the Action 88 Conference (Université de Montréal, Faculté d'aménagement, 25th anniversary), Montréal, October.
- 1988 Paper entitled "Changing Patterns in the Older Housing Stock within Canadian CMAs, 1976-1986" given at the Canadian Association of Geographers' Annual Conference. Halifax, N.S., May-June (with T.E. Bunting).
- 1988 Paper entitled "The Readings of Canadian Planners" given at the Association of Canadian University Planning Programs' Annual Conference. Montréal, Québec, January.
- 1987 Paper entitled "An Outsider's View of Municipal Strategic Planning Practice" given at the Workshop on Strategic Planning in Ontario's Municipalities, University of Waterloo, October (with Mark Seasons).
- 1987 Paper entitled "The Interface Between Housing and Household Type Across Canadian Metropolitan Areas 1976-1986", given at the CAGONT-ELDAAG Conference, Windsor, Ontario, October (with T.E. Bunting).
- 1987 Paper entitled "Managing Change; Strategic Planning in Ontario Cities" given at the ACSP Annual Conference, Los Angeles, Calif., November (with Mark Seasons).
- 1986 Paper entitled "The Neighbourhood Improvement Program in Montreal and Toronto: Differences of Attitude towards Neighbourhood Interventions", given at the Canadian Political Science Association's Annual Conference, Winnipeg, Manitoba, June, 1986.
- 1985 Paper entitled "Core Redevelopment, Neighbourhood Reinvestment, and the Municipal Fiscal Imperative", given at the Canadian Political Science Association's Annual Conference, Montréal, Québec, June, 1985.
- 1985 Paper entitled "Neighbourhood Improvement Programmes in Montreal and Toronto", given at the Urban session of the Association canadienne-française des anthropologues at sociologues, Learned Societies Annual Conference, Montréal, Québec, May, 1985.
- 1985 Paper entitled "Population Changes in the Central Area of Quebec City 1976-1981", given at the Annual Conference of the Canadian Association of Geographers, Trois-Rivières, Québec, May, 1985.

- 1984 Paper entitled “Urban Revitalization, Land Use and Social Groups”, given at the Annual conference of the Canadian Association of Geographers, Nanaimo, B.C., May, 1984.
- 1978 Paper entitled “The Redevelopment of Quebec City's Central Area”, given at the Dynamique sociale de l'État Québécois Conference, Québec, Québec, May 1978.

Discussant and Panel Participation

- 2020 Participation to CIP webinar on the future of the city, Ottawa, May.
- 1996 Participation to the Round Table on Directions in Urban Research, Canadian Regional Science Association Annual Conference, Canadian Learned Societies Congress, St.Catharines, June.
- 1996 Discussant of session entitled “Poor and Homeless People” at the Canadian Sociology and Anthropology Association Conference, Canadian Learned Societies Congress, St.Catharines, June.
- 1994 Commentary on “Urban Heritage and Design” by Jeffery Stenson, given at the Symposium on the Heritage Estate in Canada and Ontario, Waterloo, Ontario, November.
- 1987 Discussant at the Aménagement et urbanisme workshop at the Association canadienne française pour l'avancement des sciences Annual Conference, Ottawa, May.
- 1986 Discussant at the Workshop on the Design of the Waterloo Urban Model (Watgum Project), held at the University of Waterloo, Waterloo, Ontario, October, 1986.
- 1986 Discussant at the conference entitled “The Swiss Presence in Canada”. Organized by the Department of Geography, University of Waterloo, Waterloo, Ontario. April, 1986.
- 1984 Discussant at the Conference entitled Development in the 1980's: Canada in the Western Hemisphere. Organized by the Programme of Studies in National and International Development, Queen's University. Kingston, Ontario, May, 1984.

Organization Work

- 2018 Organization of two colloquiums on suburban infrastructures at the Spaces and Flows Annual Conference, Heidelberg, October.
- 2018 Organization of a two-day internal workshop on Global Perspectives of Suburban Infrastructures, Seeheim-Jugeheim, Germany, October.

- 2015 Organization of the international workshop on Global Suburban Infrastructure, University of Waterloo, June 14-16, 35 participants.
- 2001 Organizer with T. Bunting of two special sessions entitled “Metropolitan Areas: Population and Partnership” and “Metropolitan Areas: Trends and Methodology” at the Canadian Regional Science Association’s Annual Conference, Montréal, June.
- 2000 Organizer with T. Bunting of a special session entitled “Decentralization and Revitalization” at the Canadian Regional Science Association’s Annual Conference, Toronto, June.
- 2000 Organizer with T. Bunting of three special sessions at the Canadian Association of Geographers’ Annual Conference, St. Catharines, Ont., June (Urban Change in Canada I: the Big Picture; Urban Change in Canada II: Issues within Metropolitan Areas; Urban Change in Canada III: Social and Economic Polarization within Metropolitan Canada).
- 1992 Organizer with G. Nelson of Seminar on Heritage Planning in an Urban Context, Waterloo, Ont., November.
- 1988 Facilitator for the workshop entitled “Politics and the Process of Achieving Change” at Conference entitled “Sustainable Development; From Conceptualization to Realization”, Waterloo, Ontario, March.
- 1988 Organizer and Chair of session entitled “Issues in the Contemporary Inner City” at the Canadian Association of Geographers’ Annual Conference, Halifax, N.S., May-June (with T.E. Bunting).
- 1987 Organizer with Len Gertler and Mark Seasons of a Workshop on Strategic Planning in Ontario's Municipalities, University of Waterloo, October.
- 1987 Chairman of the conference entitled “Planning Trends and Issues of the Future”, held at the University of Waterloo, Waterloo, Ontario, February, 1987.

Resource Development (Plan 780B), Planning, Citizen Involvement and Social Change (Plan 626)

Courses taught 1990-

- 1990 Plan 780 *Seminars on the Philosophy and Methodology of Planning* (app. 25 graduate students)
Plan 259 *Regional Planning and Development* (app. 45 undergraduate students)
Plan/Geog/MAES 613 *Regional Development* (app. 25 graduate students)
Plan 100B *Introduction to Urban and Regional Planning, Part 2* (93 undergraduate students)
Plan 475 *Industrial Location* (reading course, 1 undergraduate student)
Plan 475 *Privatization and Transportation* (reading course, 1 undergraduate student)
Plan 100A *Introduction to Urban and Regional Planning, Part 1* (86 undergraduate students)
Plan 275 *Urban Design Principles and Contemporary Applications* (reading course, 1 undergraduate student)
- 1991 Plan 100B *Introduction to Urban and Regional Planning, Part 2* (app. 85 undergraduate students)
Plan 259 *Regional Planning and Development* (app. 50 undergraduate students)
ES 195 *Introduction to Environmental Studies* (app. 18 undergraduate students) (responsible for one half of the course - taught in French)
Plan 675H *Urban Political Movements* (Reading course, 1 graduate student)
- 1992 Plan 456A *Political and Administrative Processes in Urban and Regional Planning* (app. 85 undergraduate students)
Plan 100A *Introduction to Urban and Regional Planning, Part 1* (app. 65 undergraduate students)
Geog 349 *The City as a System* (app. 30 undergraduate students) (four lectures)
- 1993 Plan 100B *Introduction to Urban and Regional Planning, Part 2* (app. 65 undergraduate students)
Plan 780B *Seminars on the Philosophy and Methodology of Planning* (app. 25 graduate students)
Plan 100A *Introduction to Urban and Regional Planning, Part 1* (58 undergraduate students)
Plan 456A *Political and Administrative Processes in Urban and Regional Planning* (app. 85 undergraduate students)

- 1994 Plan 100B *Introduction to Urban and Regional Planning, Part 2* (app. 65 undergraduate students)
 Plan 780B *Seminars on Philosophy and Methodology of Planning* (app. 20 graduate students)
 Plan 100 *Introduction to Urban and Regional Planning Concepts and Techniques* (64 undergraduate students)
 Plan 456A *Political and Administrative Processes in Urban and Regional Planning* (app. 80 undergraduate students)
 Plan 475 *The Organizational, Political and Economic Context of Planning* (reading course, 1 undergraduate student)
 Plan 275 *Transportation Planning: a Comparison of Hamburg and Toronto* (reading course, 1 undergraduate student)
 Plan 275I *Transportation Planning* (reading course, 1 undergraduate student)
- 1995 Plan 101 *Urban and Regional Planning Concepts and Techniques* (app. 65 undergraduate students)
 Plan 403 *The Organizational, Political and Economic Contexts of Urban Planning Practice* (app. 80 undergraduate students)
 Plan/Geog/LED 613 *Regional Development Planning Practice* (18 graduate students)
 Plan 475 *Public Transportation Planning* (reading course, 1 undergraduate student)
- 1996 Plan 101 *Urban and Regional Planning Concepts and Techniques* (app. 65 undergraduate students)
 Plan 700 *History and Theory of Planning* (18 graduate students)
 Plan/Geog/LED 613 *Regional Development Principles and Practice* (9 graduate students)
- 1997 Plan 101 *Urban and Regional Planning Concepts and Techniques* (app. 65 undergraduate students)
 Plan 100 *The Evolution of Planning and Resource Management* (app. 100 undergraduate students)
 Plan 700 *History and Theory of Planning* (12 graduate students)
- 1998 Plan 101 *Urban and Regional Planning Concepts and Techniques* (app. 80 undergraduate students)

 Plan 700 *History and Theory of Planning* (22 graduate students)

- Plan 100 *The Evolution of Planning and Resource Management* (app. 120 undergraduate students)
- 1999 Plan 100 *The Evolution of Planning and Resource Management* (app. 130 undergraduate students)
Plan 300 *Planning Theory* (app. 70 students)
Plan 700 *History and Theory of Planning* (16 graduate students)
- 2000 Plan 101 *Urban and Regional Planning Concepts and Techniques* (app. 85 undergraduate students)
Plan 100 *The Evolution of Planning and Resource Management* (app. 130 undergraduate students)
Plan 700 *History and Theory of Planning* (16 graduate students)
Plan 300 *Planning Theory* (app. 70 students)
- 2001 Plan 101 *Urban and Regional Planning Concepts and Techniques* (app. 85 undergraduate students)
Plan 100 *The Evolution of Planning and Resource Management* (app. 130 undergraduate students)
Plan 700 *History and Theory of Planning* (18 graduate students)
- 2002 Plan 101 *Urban and Regional Planning Concepts and Techniques* (app. 85 undergraduate students)
- 2003 Plan 101 *Urban and Regional Planning Concepts and Techniques* (app. 95 undergraduate students)
Plan 100 *The Evolution of Planning* (app. 130 undergraduate students)
Plan 261 *Urban and Metropolitan Planning and Development* (app. 90 undergraduate students)
Plan 300 *Planning Theory* (app. 65 undergraduate students)
- 2004 Plan 622 *Urban Governance and Planning* (12 graduate students)
Plan 100 *The Evolution of Planning* (app. 130 undergraduate students)
- 2005 Plan 300 *Planning Theory* (app. 85 undergraduate students)
Plan 261 *Urban and Metropolitan Planning and Development* (app. 90 undergraduate students)
Plan 700 *Planning Paradigms and Theory* (22 graduate students)
Plan 100 *The Evolution of Planning* (app. 130 undergraduate students)

- 2006 Plan 261 *Urban and Metropolitan Planning and Development* (app. 90 undergraduate students)
 Plan 700 *Planning Paradigms and Theory* (22 graduate students)
 Plan 100 *The Evolution of Planning* (app. 130 undergraduate students)
 Plan 622 *Urban Governance and Planning* (7 graduate students)
- 2007 Plan 261 *Urban and Metropolitan Planning and Development* (app. 90 undergraduate students)
 Plan 700 *Planning Paradigms and Theory* (34 graduate students)
 Plan 100 *The Evolution of Planning* (app. 130 undergraduate students)
 Plan 622 *Urban Governance and Planning* (2 graduate students)
- 2008 Plan 700 *Planning Paradigms and Theory* (30 graduate students)
 Plan 100 *The Evolution of Planning* (app. 200 undergraduate students)
- 2009 Plan 700 *Planning Paradigms and Theory* (22 graduate students)
 Plan 100 *The Evolution of Planning* (220 undergraduate students)
 Plan 621 *Changing Form and Structure of Metropolitan Canada* (6 graduate students)
- 2010 Plan 700 *Planning Paradigms and Theory* (38 graduate students)
 Plan 100 *The Evolution of Planning* (180 undergraduate students)
 Plan 621 *Changing Form and Structure of Metropolitan Canada* (9 graduate students)
- 2011 Plan 700 *Planning Paradigms and Theory* (33 graduate students)
 Plan 100 *The Evolution of Planning* (180 undergraduate students)
 Plan 621 *Changing Form and Structure of Metropolitan Canada* (10 graduate students)
- 2012 Plan 700 *Planning Paradigms and Theory* (25 graduate students)
 Plan 100 *The Evolution of Planning* (200 undergraduate students)
 Plan 621 *Changing Form and Structure of Metropolitan Canada* (6 graduate students)
- 2013 Plan 700 *Planning Paradigms and Theory* (31 graduate students)
 Plan 100 *The Evolution of Planning* (195 undergraduate students)
 Plan 621 *Changing Form and Structure of Metropolitan Canada* (6 graduate students)

- 2014 Plan 700 *Planning Paradigms and Theory* (30 graduate students)
 Plan 100 *The Evolution of Planning* (195 undergraduate students)
 Plan 621 *Changing Form and Structure of Metropolitan Canada* (8 graduate students)
- 2015 Plan 710 *Research Design* (28 graduate students)
 Plan 700 *Planning Paradigms and Theory* (30 graduate students)
 Plan 100 *The Evolution of Planning* (195 undergraduate students)
- 2016 Plan 700 *Planning Paradigms and Theory* (36 graduate students)
 Plan 100 *The Evolution of Planning* (200 undergraduate students)
- 2017 Plan 700 *Planning Paradigms and Theory* (40 graduate students)
 Plan 100 *The Evolution of Planning* (215 undergraduate students)
 Plan 621 *Changing Form and Structure of Metropolitan Canada* (9 graduate students)
- 2018 Plan 700 *Planning Paradigms and Theory* (53 graduate students)
 Plan 100 *The Evolution of Planning* (230 undergraduate students)
 Plan 621 *Changing Form and Structure of Metropolitan Canada* (5 graduate students)
- 2019 Plan 700 *Planning Paradigms and Theory* (36 graduate students)
 Plan 100 *The Evolution of Planning* (240 undergraduate students)
 Plan 621 *Changing Form and Structure of Metropolitan Canada* (6 graduate students)

GRADUATE STUDENTS

Doctoral students graduated:

- 2018 *Jamal, Audrey* (Co-Advisor) PhD Thesis: “An Investigation into Downtown Revitalization in Mid-size Cities in the Growth Plan for the Greater Golden Horseshoe”.
- 2018 *Lee, Michelle* (Advisor) PhD Thesis: “Barriers to Growth Management: Local Challenges Implementing the Growth Plan for the Greater Golden Horseshoe”.
- 2015 *Markvart, Tanya* (Advisor) PhD Thesis: “Planning for Social Change towards Sustainability? Investigating Local Government Strategic Sustainability Planning in Canada”.
