GRADUATE RESEARCH AWARDS for DISARMAMENT, ARMS CONTROL AND NON-PROLIFERATION

$5,000.00

Graduate Research Awards for Disarmament, Arms Control and Non-Proliferation are offered by The Simons Foundation Canada and the International Security Research and Outreach Programme (ISROP) of Global Affairs Canada (GAC).

A total of four awards of CAD $5,000 are available to Canadian Master’s and/or Doctoral candidates to support the independent research and writing of an academic paper responding to a specific Non-Proliferation, Arms Control and Disarmament (NACD) topic. Awards also include domestic travel support to Ottawa where successful candidates will present their completed papers during a special event at Global Affairs Canada Headquarters in March 2020.

Deadline for applications: 3 February 2020
Selection of four award recipients: 17 February 2020
Presentations at GAC in Ottawa: March 2020 – Date to be confirmed

Applications must include:

- Your resume, including proof of citizenship status.
- A complete, official transcript of your grades.
- An academic paper (1,500 words, MLA format) responding to one of the specific Non-Proliferation, Arms Control and Disarmament topics listed.

This competition is open to Canadian citizens and Canadian permanent residents/landed immigrants currently enrolled in a graduate programme. In order to expand the community of Canadian scholars working on non-proliferation, arms control and disarmament (NACD) issues, employees of Global Affairs Canada, and previous recipients of a Graduate Research Award are not eligible.

Complete applications must be received by the close of business (PST) on 3 February 2020 and should be sent to Elaine Hynes at The Simons Foundation by email to: ehynes@thesimonsfoundation.ca.
