

Research Assistant Professor

Applications are invited for a Research Assistant Professor positions in the Institute for Quantum Computing (IQC) and any department in the Faculties of Mathematics, Engineering and Science. The IQC is a collaborative research institute focused on quantum information, science and technology. Membership in IQC is a five-year appointment, subject to re-evaluation after three years taking into consideration performance and availability of funding. Only those candidates whose research program directly connects with the goals and ongoing research at IQC will be considered. Information about research at IQC can be found at <http://uwaterloo.ca/iqc/research>.

A PhD and significant evidence of excellence in research in quantum information science and technology are required. Based on qualifications a salary range of \$70,000 to \$90,000 will be considered. Negotiations beyond this salary range will be considered for exceptionally qualified candidates. Effective date of appointment is negotiable.

The University of Waterloo is host to the Institute for Quantum Computing. At present, IQC has a complement of 29 faculty members (growing to 39) from the Faculties of Engineering, Mathematics and Science. Interested individuals should upload their application via the faculty application form at: <http://uwaterloo.ca/iqc/positions>.

The application review process will begin on May 20, 2018 and continue until the position are filled.

The University of Waterloo respects, appreciates and encourages diversity and is committed to accessibility for persons with disabilities. We welcome applications from all qualified individuals including women, members of visible minorities, Aboriginal peoples and persons with disabilities. All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority in the recruitment process.
