

Faculty of Mathematics Prestigious Postdoctoral Fellowship in Pure Mathematics

The Department of Pure Mathematics at the University of Waterloo invites applications for a two-year Faculty of Mathematics Prestigious Postdoctoral Fellowship to begin on July 1, 2024. The duties are to engage in research activities within the Faculty of Mathematics at the University of Waterloo. The salary will be \$75,000 CAD plus a \$15,000 research grant. No teaching is required of a successful candidate, but teaching up to two courses per year may be arranged for additional pay by mutual arrangement.

Preference will be given to applicants whose research interests and expertise fit within one of the research groups in the department and whose application is supported by a potential supervisor in the department. For more information about the research activities of the department please see: <https://uwaterloo.ca/pure-mathematics/research>

Applications will be received only through [MathJobs](#). A complete application consists of a curriculum vitae, a short statement of research interests, and four letters of recommendation. Applications should be received by January 5, 2024.

The University of Waterloo acknowledges that much of our work takes place on the traditional territory of the Neutral, Anishinaabeg, and Haudenosaunee peoples. Our main campus is situated on the Haldimand Tract, the land granted to the Six Nations, which includes six miles on each side of the Grand River. Our active work toward reconciliation takes place across our campuses through research, learning, teaching, and community building, and is centralized within our Office of Indigenous Relations: <https://uwaterloo.ca/indigenous/>.

The University values the diverse and intersectional identities of its students, faculty, and staff. It regards equity and diversity as an integral part of academic excellence and is committed to accessibility for all employees. The University of Waterloo seeks applicants who embrace our values of equity, anti-racism, and inclusion. As such, we encourage applications from candidates who have been historically disadvantaged and marginalized, including applicants who identify as Indigenous peoples (e.g., First Nations, Métis, Inuit/Inuk), Black, racialized, people with disabilities, women and/or 2SLGBTQ+.
