Breakaway Tours is HIRING and we want YOU to apply!

At Breakaway Tours, we take student travelers from ages 17-24 on their #TripofaLifetime to different destinations around the world and we’re just starting our 2019 recruitment process for destination staff. We’re currently in search of charismatic people with experience leading youth, or even with a desire to lead youth, to become a part of our team. The commitment is minimal – you only accept trips you’re available for!

We travel for short periods of time to destinations such as:

- Cuba
- The Bahamas
- The Dominican Republic
- Mont Tremblant
- Montreal
- Quebec City
- AND MORE

We believe that students would greatly benefit from a chance to work with us on one of our destinations as a Trip Leader, and we think we would greatly benefit from your skills as well. This opportunity allows students to build their leadership profile, gain skills to add to their resumes, and network with like-minded individuals while also travelling all over the world and experiencing new cultures.

The position is a volunteer position, however every trip is ALL expenses paid (travel, tourism, meals, accommodations) with an honorarium (cash bonus) given to each destination team member per trip.

For more information on the company you can visit https://www.breakawaytours.com/
