RESIDENCE COMMUNITY RANKING FORM IS DUE!

# WHY LIVE AT RENISON?

Renison welcomes residents from all six faculties at the University of Waterloo, housing over 200 students. First-year and transfer students benefit from the *100% Guarantee* at Renison, with over 80% of our rooms reserved for new students! Our residence community includes amazing support, leadership opportunities, and a great meal plan — what more can you ask for?

## Best Don-to-Resident Ratio

Dons are here to support you in residence, creating a positive community, and acting as a resource for you, whatever you may need. Having one Don for every twenty-two residents means more support and guidance from your upper-year classmates.

## Leadership Opportunities

If you are looking for new experiences and a way to build your network, Renison has over 100 leadership opportunities for you to consider. Whether you choose to be a Don, a Peer Leader, or a member of our Student Life Team — you'll learn valuable skills and build your résumé at the same time!

## All-inclusive Meal Plan

You'll never go hungry with Renison's all-you-can-eat meal plan for residents! The cafeteria menu takes inspiration from local and international cuisines, to ensure there is always something for everyone. If you have dietary needs or preferences, you can meet with Tim, our chef, to customize a menu that works for you.

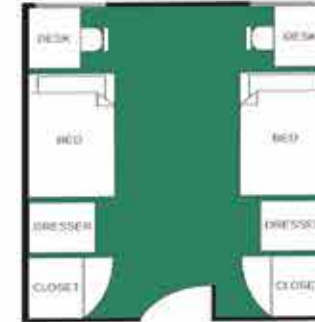

## Three Living-Learning Communities

Being part of a Living-Learning Community (LLC) at Renison means that your friends, roommates, and classmates are all rolled into one. As part of an LLC, you'll live with your peers, receive additional support, and have access to tailored activities. Join one of our LLCs:

- › Social Development Studies
- › Warrior Academic Leadership Community
- › Bridge to Academic Success in English

"I remember the first time I stepped into Renison as a first-year student, and it already felt like home. What makes it so special is the people who all work together to create a culture that everyone can be a part of."

- CLAIRE, current SDS student
