Transparency Statement for internal CRC competitions

June 4, 2018

The School of Architecture has initiated an internal competition for a Tier 1 position, open only to existing faculty at the University of Waterloo, in Architecture and Environment.

The internal advertisement included the following information:

Waterloo’s Equity and Diversity Statement: Applications from all qualified internal individuals including those who identify as women, members of visible minorities, Aboriginal (Indigenous) peoples or persons with disabilities are particularly encouraged. In selecting nominees, the university’s current equity gaps in the Four Designated Groups (FDG) as identified by the Canada Research Chair program will be considered.

If you have any questions regarding the position, the application process, assessment process, eligibility, the CRC program etc., please contact the Director, School of Architecture at anne.bordelelau@uwaterloo.ca.
