

DISCLOSURE NUMBER: CD #

COPYRIGHT DISCLOSURE

TITLE/NAME: _____

SUBMITTED BY: _____

NAME

DEPARTMENT

DATE OF SUBMISSION: _____

COMMERCIAL CONFIDENTIAL: All information submitted within this proposal will be treated as commercially confidential

1. DESCRIPTION

Provide a brief description of the use/purpose of the copyright material and its present state of development (i.e. what problem does the copyright material address or simplify). Attach supplementary information (papers, reports, and other descriptive material) if useful to more fully describe the copyright material.

2. COPYRIGHT MATERIAL STATUS

(a) Is there a version\production of the copyright material available that could be provided to third parties to interact with the software for performance evaluation purposes? Yes No
If yes, please attach or otherwise provide access to such copyright material.

(b) Describe the present status of the development of the copyright material along with future development plans to develop/improve the copyright materials for commercial exploitation.

(i) Ongoing

(ii) Future

3. PUBLICATIONS/DISCLOSURES

- (a) Does the copyright material include software? Yes No
If yes, has the source code for the software been disclosed, or have copies been distributed to any third parties?

Yes No

If yes, please provide details.

- (b) List and attach any published articles or papers (title and date of publication) relating to the copyright material.

- (c) Has the copyright material been shared or used by any other parties ? Yes No
If yes, please provide details (attach any relevant user feedback if available)

4. SUPPORT OF COPYRIGHT MATERIAL DEVELOPMENT

(a) Sources of Funding

Please indicate all of your funding support that contributed to the development of the copyright material.

Grants (List: organization, contract/project number, etc.)

Research Contracts (List: industrial partner, contract/project number, etc.)

Donations or Other Support List source of funding or support and what is it was used for (eg. payment of salary, providing equipment, test populations, etc.)

(b) Funding Source Ownership Rights:

Please identify if any of the funding support listed above, or any agreements signed by the Author(s), requires assignment of any intellectual property rights associated with this copyright material.

(c) Open Source Rights:

If the copyright material includes software, please identify any Open Source software code used or imbedded in the software. If Open Source software code was used, *attach a copy of the associated Open Source License Agreement.*

(d) Other Rights

Is the copyright material derived from some other pre-existing copyright material owned by third parties? Yes No

If yes, list the names/contact information of any other persons or organizations which may have any claim in or rights to this copyright material.

Is the copyright an abridgement or derivative of pre-existing copyright material that is subject to a copyright license (eg., publisher)? Yes No

If yes, list the names/contact information of any other person or organization which may have any claim in or rights to this copyright material.

ACKNOWLEDGEMENT:

The undersigned, being the SUBMITTER of this Copyright Disclosure, does hereby declare and confirm that to the best of his/her knowledge and belief the information provided in Section 4. SUPPORT OF WORK TO DATE is accurate and true both in substance and fact.

Print Name: _____

Signature: _____ Date: _____

5. AUTHOR(S) OF COPYRIGHT MATERIAL

(a) * Copyright does not protect ideas, only the expression of ideas. This means that things like business concepts, plots and algorithms are not protected by copyright. However, the tangible expression of those ideas in an article, manual, flow-chart or software, for example, would be protected. An Author is a person who contributed to the expression of the ideas in a “tangible work” (e.g. manual, software, decision support tool, etc..)

Author(s): List ALL of the persons who should be named as Author(s) of the copyright material.

Name: _____	Title: _____
Phone: _____	Email: _____
Name: _____	Title: _____
Phone: _____	Email: _____
Name: _____	Title: _____
Phone: _____	Email: _____
Name: _____	Title: _____
Phone: _____	Email: _____

(b) Were any of the Authors paid to specifically make contributions to creating the copyright material (i.e. Co-op students, external paid consultants, etc.)? Yes No
If yes, identify which Authors were “hired” and given the specific task to make contributions to the copyright material.

<u>Name(s)</u>	<u>Date(s)</u>
_____	_____
_____	_____
_____	_____
_____	_____
_____	_____

(c) Identify those Authors who **are not** members or affiliated with the University of Waterloo (ie. do not have status under UW Intellectual Property Policy #73)

<u>Name(s)</u>	<u>Name of External Institution or Affiliation</u>
_____	_____
_____	_____
_____	_____

(d) **Waiver of Ownership:**

List those Authors who have signed a waiver of ownership (as an Author) of the copyright (attach copies).

<u>Name(s)</u>	<u>Date(s)</u>
_____	_____
_____	_____
_____	_____

(e) **Non-Author Contributors:**

List those Non-Author Contributors who assisted in the creation of the copyright material but are not technically Authors.

<u>Name(s) and Role(s)</u>	<u>Date(s)</u>
_____	_____
_____	_____
_____	_____

6. INDUSTRIAL INTEREST/SUPPORT

Is there any industrial/commercial interest in the copyright material? Yes No
If yes, please list the names of the companies along with the name(s) of your company contacts.

<u>Name(s) of Company</u>	<u>Contact Info (names, email, website)</u>
_____	_____

(f) Is this market affected by government regulations\industry standards that may either impede or drive the acceptance of this copyright material in the selected application markets?

Yes No

If yes, list the regulations and describe the potential impact on the acceptance and use of the copyright material

(g) List known companies who may have an interest in commercializing this copyright material.

Name(s) of Company

Contact Info (names, email, website)

(h) What significant hurdles that still need to be addressed prior to commercializing this copyright material?

(i) List any other source of additional market information
