## **INCIDENT & INVESTIGATION REPORT**

This form must be completed by the supervisor and the worker. An initial draft must be submitted within <u>24 hours</u> of the incident to the Safety Office (safety@uwaterloo.ca, COM116). Fully completed signed forms are required within <u>72 hours</u>. Incidents that must be reported:

- Hazardous Situation: Refers to an incident caused by an unsafe act or condition which could have, or did result in injury or property loss. Examples include near misses, fires/explosions, hazardous materials spills or property damage >\$2000.
- First Aid Injury: A minor injury where treatment is carried out by first aid measures (e.g., bandage, cold pack).
- Medical Aid Injury: An injury which requires treatment or care by a health care professional.
- Lost Time Injury: An injury which results in time lost from work after the date of injury.
