

## SCHOOL OF ACCOUNTING AND FINANCE ALUMNI EXCELLENCE ENDOWMENT FUND

Battle on Bay Competition 2016

# Shaping the next generation of global finance and business leaders

The University of Waterloo's School of Accounting and Finance provides a distinct educational experience for aspiring financial management professionals. This will align our combined resources and energy towards our mission:

*Transforming the professions, world-class research and experiential education*

The Alumni Excellence Endowment Fund ensures that the School can respond effectively to rapid change and undertake new initiatives. The Fund enables the School to focus on educating the next generation of fully-equipped global leaders, innovators and visionaries in accounting and finance. Providing a range of ever-evolving experiential learning opportunities that engage students, harness their passion, develop their skills, and integrate their studies.

*“Working as a team in a grueling competition—or organizing a large conference—are experiences that set our students apart. This type of hands-on learning is critical to their success. We want to prepare our students for success in a constantly evolving industry.”*
