Q1 (2 points)

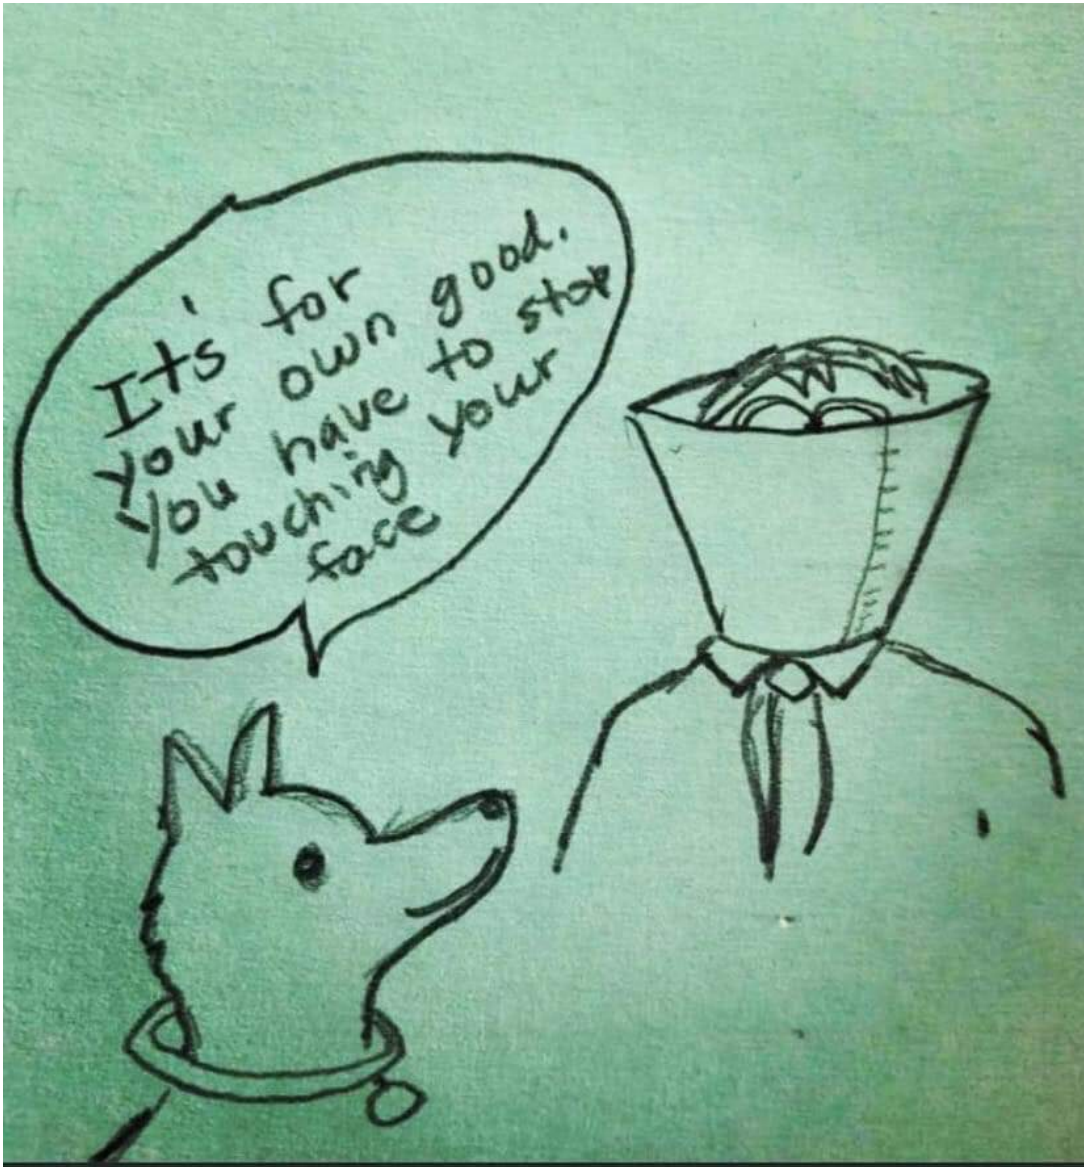

Here's an example of how you can provide an attachment for students to download, which can include a PDF of a question or case.

Download and review the latest [memo from Arts](#). When is the revised WD deadline?

Q2 (10 points)

See below for an example of how you can include a graphic (or perhaps a table you want students to examine) directly in the question. All you have to do is attach a .jpg and it's added to the question.

Q3 (3 points)

And here's an example of how you can share a website link.
