## AFM Class of 2026: Professional Accountant Specialization Checklist

**ALL of the Following Courses (3.0 Course Credits\*\*)**

- AFM 341\*\***
- AFM 362**
- AFM 382**
- AFM 451**
- AFM 462**
- AFM 482**
- AFM 491**

*\*\*AFM 341 is a CPA required course, and an AFM core course that may be taken in 3A. AFM 341 must be completed if you wish to pursue the CPA designation.*

Completing this specialization will satisfy 3.0 elective credits. AFM students are expected to complete 6.5 total elective credits that do not include core courses to satisfy their undergraduate degree requirements. Please list your additional seven elective credits **below**.

If you have questions related to repeating a class for [CPA](#) purposes, please review this [academic FAQ webpage](#). Please note, in circumstances where you have elected to register in a course that you have previously completed with a passing grade: you will not earn an additional 0.50 credit.

If you are completing a separate specialization in addition to this specialization, please refer to the separate specialization checklists.
