**N.B.** *Policy 50 – The President of the University* (s.4.a) stipulates the following [emphasis/note added]:

*"If the association of any member of the nominating committee with the University is terminated or in any way significantly altered [e.g. Senate term ends], or if for any reason, including resignation, any member is unable to carry out responsibilities on the committee, the nominating committee will request the appointment of a replacement member, unless the committee has reached a stage in its deliberations where it deems such a replacement inadvisable."*
