Course Sequencing

A good rule of thumb is to take required courses at your current academic level (100-levels in 1A and 1B, 200-levels in 2A and 2B, and so on), when they are being offered throughout your progression, and then choose your electives. You may take courses in your academic plans (majors, minors), BA breadth requirement courses, or electives that can be counted towards your BA degree requirements.

**Year 1:** SOC 101, BA breadth requirements

**Year 2:** SOC 202, SOC 221, SOC additional courses at 200-level, BA breadth requirements (if not already completed)

**Year 3:** SOC 280 or SOC 322, SOC additional courses at 300-level
