

Sample 1A Software Engineering Schedule

Class of 2026

Fall 2021

Here's a sample schedule you can follow to help organize your days. You can make your own daily schedule from this starting point.

- While all of you are in the same courses, each course has multiple tutorial sections at different times.
- You might be in different tutorial sections than the ones shown on the sample schedule.

	Monday	Tuesday	Wednesday	Thursday	Friday
8:30:am					ECE 105 TUT 111 online synch
9:30:am		MATH 117 TUT 114 on campus STC 0040		MATH 115 TUT 129 on campus STC 0040	
10:30:am	CS 137, Lec proposed times to watch video lectures	CS 137 TUT 101 on campus STC 0040	CS 137, Lec proposed times to watch video lectures	SE 101 TUT 101 on campus STC 0040	CS 137, Lec proposed times to watch video lectures
11:30:am	Math 115, Lec proposed times to watch video lectures		Math 115, Lec proposed times to watch video lectures		Math 115, Lec proposed times to watch video lectures
12:30:pm	LUNCH	LUNCH	LUNCH	LUNCH	LUNCH
1:30:pm	Math 117 Lec proposed times to watch video lectures	ECE 105 LEC 004 on campus STC 0040	Math 117 Lec proposed times to watch video lectures	ECE 105 LEC 004 on campus STC 0040	Math 117 Lec proposed times to watch video lectures
2:30:pm					
3:30pm	MATH 135 LEC 022 on campus STC 0040	CS 137 TUT 101 online synch	MATH 135 LEC 022 on campus STC 0040	SE 101 TUT 101 online synch	MATH 135 LEC 022 on campus STC 0040
4:30pm					
5:30pm					

Instructors:

- CS 137 - Victoria Sakhnini
- ECE 105 - Firas Mansour
- MATH 115 - Kwan Lai
- MATH 117 - Mohammad Kohandel
- SE 101 - Victoria Sakhnini
- MATH 135 - TBD
