  - a) I've had a few people approach me in my role as Area Rep to see if there's an inclination for UW to go completely smoke-free as a campus. I know the [smoking policy](#) was recently revised, but with two Ontario universities ([McMaster](#) and [Guelph](#)) going smoke free, there's public traction there.

Next Meeting: Noon on Thursday, October 4, 2018: Meet the candidates for UWSA election. NH 3318
