AGENDA

Diana Parry, Associate Vice President, Human Rights, Equity and Inclusion, Kelly Davis and Joanne Adair gave an overview of the Indigenization Strategy for the university.

2. Minutes of May 10, 2018 were approved as presented.
3. During open forum, Michael Herz discussed the UWSA elections coming in October and strategies for getting good candidates for directors and president-elect positions. He will host lunch and learn sessions titled, "Know Your University", so members should watch for an invite. Staff raise advisements will be coming at the end of June. Tim Ireland asked how staff knows when a manager is using the supplemental pool. He was advised to ask his manager, attend the lunch and learn, or reach out to President Bill Baer. Executive offers know the amount of raises ahead of time. Charles Boyle asked for clarification on the base merit connection to staff ratings.
4. Next Area Rep meeting will be September 13, 2018.
