Applications such as email, web browsing, apps, and audio/video streaming will continue to function at a reduced speed which will likely impact your experience. We will send you a text message notifying you when you have used 90% and 100% of the high speed allotment included in your plan with the option to purchase a Speed Pass to add more high speed data to your plan. You must keep Automatic Payments active with an eligible plan to maintain this discount. Discount will end if you move to an ineligible plan or cancel Automatic Payments. © 2022 Rogers Communications.
