What  
does the  
UWSA do?

What can the  
UWSA do for  
you?

How is your money  
spent?

How important is the UWSA  
to UW?

What opportunities for staff are  
available with the UWSA?

If you'd like answers to any or all of these questions... invite the UWSA to a meeting! We have a 15 minute presentation and we love to answer tough questions. You can invite us to present at a Staff meeting, a Department meeting, an Executive meeting, or a special meeting just for us. This presentation is designed for a wide audience and anyone with interest in UW should find this informative.
