10	STAT 333	3	Applied probability	≥60% in S230, level 3A	FWS

Aug-20

***Students wanting an ACTSC Minor must have a 70% SMAV or CAV if no SMAV exists to be admitted into the minor.***

Due to limited space in our ACTSC 4xx courses and the fact that they are open for ACTSC majors only you may not be able to enroll in a given ACTSC 4xx course. Note ACTSC 372 is available to any Math student.
