University of Waterloo
School of Optometry & Vision Science

The School of Optometry & Vision Science at the University of Waterloo is seeking outstanding scholars and researchers for two full-time, regular tenure-track faculty positions at the rank of Assistant Professor with an anticipated start date of July 1, 2021. In the case of an exceptional candidate, an appointment at the rank of Associate Professor will be considered.

Successful applicants will be expected to demonstrate a strong commitment to scholarship and teaching, and develop a robust, externally-funded research program that supports graduate students and post-doctoral fellows. Evidence of an actively developing research program is required.

Duties include research, teaching in the optometry professional program and graduate program, and supervising graduate students. Potential applicants are urged to review the research interests of our faculty and the strategic plan of the school. Preference will be given to investigators whose expertise is complementary to research in the School. The ability to develop and teach an array of traditional and on-line courses is expected. Both optometrists and individuals from other biomedical and physical science disciplines are encouraged to apply. Applicants who are optometrists should be eligible for a general or academic certificate of registration with the College of Optometrists of Ontario.

The salary range for this position at the rank of Assistant Professor is $100,000 to $130,000. Negotiations beyond this salary range will be considered for exceptionally qualified candidates.

A letter of application, curriculum vitae, research profile and plan, statement about teaching interests and philosophy, and three confidential letters of reference should be sent to: Dr. Stanley Woo, Director, School of Optometry & Vision Science, University of Waterloo, Waterloo, Ontario, Canada N2L 3G1 or emailed to holly.forsyth@uwaterloo.ca.

The closing date for the position is January 31, 2021.
