University of Waterloo Stratford Campus
Announcement
January 25, 2013

Stratford, Ontario, Canada — The University of Waterloo Stratford Campus is delighted to announce that Leanne Perreault will be joining the executive team as Administrative Officer. Working closely with Ginny Dybenko, Executive Director, Leanne will provide strategic guidance and planning support for the development and management of the administrative structure of the University of Waterloo Stratford Campus.

Leanne comes to the University of Waterloo Stratford Campus from Fanshawe College where she was Senior Manager, Corporate Communications. Prior to Fanshawe College she held senior communication, patron experience, and brand management positions at the Stratford Shakespeare Festival and Air Canada Jazz. Leanne is well known in the Stratford area as a strong advocate for numerous community organizations.

“We are excited and so very fortunate to have Leanne join our University of Waterloo Stratford Campus team. Her collaborative approach will be a tremendous asset as we continue to build strategic relationships with our community, researchers, businesses and future entrepreneurs,” says Executive Director Ginny Dybenko. “Her contribution will enable us to move forward in the creation of a rich, technology-driven learning environment at the University of Waterloo Stratford Campus.”

Leanne will begin her new role at the University of Waterloo Stratford Campus on February 4, 2013.

About the University of Waterloo
In just half a century, the University of Waterloo, located at the heart of Canada’s technology hub, has become one of Canada’s leading comprehensive universities with 34,000 full- and part-time students in undergraduate and graduate programs. Waterloo, as home to the world’s largest post-secondary co-operative education program, embraces its connections to the world and encourages enterprising partnerships in learning, research and discovery. In the next decade, the university is committed to building a better future for Canada and the world by championing innovation and collaboration to create solutions relevant to the needs of today and tomorrow.
