STRATFORD TOWN AND GOWN ADVISORY COMMITTEE

As more students make Stratford their home, the City and the University have worked together to create the Stratford Town and Gown Advisory Committee. With representation from City Council, University administration, students and residents, the committee serves as a forum for the exchange of information, open discussion and communication among all of these groups. It's been built on efforts across the Province to engage municipalities where post-secondary institutions exist in order to create safe, happy, supportive and cohesive communities. To get involved in council activities please contact Brandi Gillett (bgillett@uwaterloo.ca).
