Admission average

Award Description

An award, valued at up to \$1,000, is granted annually to a student entering first year at the University of Waterloo. Preference will be given to students who demonstrate a significant cultural contribution to the Serbian community. This fund is made possible through donations from friends of the Serbian community to encourage post-secondary education and academic excellence.

Application Procedure

Complete this form and attach the following supporting documentation:

- A detailed letter (two pages single-spaced maximum) explaining how you meet the award criteria, as stated in the award description.
- Submit completed application on or before **April 15** to Student Awards and Financial Aid.

Declaration and Consent

I authorize the University to release a copy of this application to the award donor, including my academic record and copies of any information attached to this application. I confirm that the information provided on this application, and attached hereto, is complete and accurate in every respect. I understand that Student Awards & Financial Aid will send me notification of the results of this application to my @uwaterloo.ca email address.
