

Centre for Career Action

CCA **supports** all undergrad (both co-op and 'regular' stream students), grad, postdocs, alumni and employees. We provide support with applications and interviews, first recruitment term co-op support, career planning and decision-making, networking and professional and grad school planning and applications.

CareerHub is an online career resource available 24/7 (careerhub.uwaterloo.ca). CareerHub covers the connection between academic courses and careers, how to channel entrepreneurial interests, post-grad education, how to write a stand-out résumé and cover letter and more!

Students and staff can meet virtually or in-person with a career advisor for a confidential **appointment** about career strategies, job search tactics, or grad/professional school prep. We also offer same-day virtual drop-in appointments from 9 - 10 a.m., noon - 1 p.m., and 5 - 6 p.m. Book online on WaterlooWorks (waterlooworks.uwaterloo.ca)

CCA offers a range of **workshops, conferences and events**. These offerings are free to University of Waterloo students, alumni and staff. Visit uwaterloo.ca/career-action/events or waterlooworks.uwaterloo.ca to view listings.
