

GREEN LABS OVERVIEW

PARTICIPATING IN THE GREEN LABS PROGRAM IS AN OPPORTUNITY HAVE FUN AND MAKE AN IMPACT WHILE LEARNING NEW SKILLS AND BUILDING NEW RELATIONSHIPS.

The Green Labs program is a tangible way to make an impact. It empowers participants with tools, knowledge, and peer learning to encourage sustainable behaviours and practices while maintaining high quality teaching and research spaces. It recognizes departments for their efforts and achievements through a common scorecard, and opens opportunity for creativity, collaboration, and change.

HOW TO PARTICIPATE

- 1. AMBASSADOR**
- 2. CHECK**
- 3. PLEDGE**
- 4. ACTION**
- 5. CERTIFICATION**

1. AMBASSADOR

- Join the Green Labs ambassador network to gain peer-to-peer support.
- Access a shared toolkit and templates for your lab.

2. CHECK

- Sustainability staff will help you get started.
- Complete a walk-through to understand your lab's baseline.
- Build management support for participation.

3. PLEDGE

- Launch the pledge to kick off the program in your department and build support among colleagues.

4. ACTION

- Begin with 5 simple actions to earn Level 1 certification.
- Move on to the Green Labs scorecard to begin completing bigger projects and initiatives over time.

5. CERTIFICATION

- Get recognized for your efforts annually with a Green Labs certification.
- Showcase your successes to your peers!
