- acknowledge and agree that the Submission Materials have been created and submitted to the Sponsor by Eligible Entrants and Teams in the Competition, and the Sponsor and all other Released Parties have not created, contributed, supervised, vetted, or otherwise been involved in nor are responsible for the Submission Materials (and each component thereof - including without limitation, the Designs);

- understand and agree that these Terms and your use of the Submission Materials do not grant you permission to use any trademarks, names, logos or symbols, nor any other content or materials outside the Submission Materials, that are owned, or used under license by, the Sponsor;
- warrant and represent that you: (i) will not use the Submission Materials in any way that suggests that an Eligible Entrant, the Sponsor or any other Released Party endorses you or your use of the Submission Materials (including without limitation, any designs, projects, buildings, content or other materials that you create from or otherwise make using the Submission Materials), including without limitation, by using any of the Sponsor’s trademarks, names, logos or symbols in connection with the Submission Materials; and (ii) will not use the Submission Materials in any manner that breaches, contravenes or infringes any applicable law, statute, ordinance or regulation, or any third party rights;
- at all times release, hold harmless and agree to indemnify the Sponsor and all other Released Parties from and against any and all claims, losses, damages, liabilities, costs, and expenses arising from your use of the Submission Materials (and any component thereof - including without limitation, the Design) (in whole or in part, as is or as may be edited or otherwise modified, alone or in combination with other works, content, materials or other information), and/or your breach of any of the terms, grants, representations and warranties of these Terms, including, without limitation, any claim based on publicity rights, defamation, invasion of privacy, copyright infringement, trademark infringement, patent infringement, or infringement of any other intellectual property right (or any other right), negligence, the feasibility, completeness, accuracy, safety, structural integrity, or any similar attributes of the Submission Materials or anything derived therefrom, non-compliance with any law, statute, ordinance or regulation, or any other cause of action whatsoever, including without limitation, any claim related to any designs, projects, buildings, content or other materials that you create from or otherwise make using the Submission Materials (in whole or in part, as is or as may be edited or otherwise modified, alone or in combination with other works, content, materials or other information);
- release and hold harmless the Sponsor and all other Released Parties from and against any liability in connection with the Competition and these Terms, and all claims of any kind that you or your heirs, executors, administrators, legal representatives, successors or assigns ever had, now have, or may in the future have, arising from, connected with, or in any way related to the Competition or these Terms; and
- declare that you have read and will comply with these Terms, and understand and agree that these Terms shall apply to and be binding on you and your heirs, executors, administrators, personal representatives, successors and assigns.

If any provision of these Terms is found to be illegal, invalid or unenforceable, such illegality, invalidity or unenforceability shall not render the balance of these Terms illegal, invalid or unenforceable. These Terms are governed by the laws of the province of Ontario and the applicable laws of Canada. Sponsor may modify these Terms at any time, and such modifications shall be effective immediately upon posting of the modified Terms on the Sponsor’s Competition website.
