Why you require this form

Your current OSAP application has been compared with your previous OSAP application(s) to ensure students are progressing academically while receiving OSAP funding. This review has identified that you may not be meeting expected academic progress requirements.

Examples may include:

- **Repeating or enrolled in multiple study periods at the same academic level (e.g., multiple terms in level 2A)**
- **Multiple programs or institution changes**

Your Academic Progress Explanation

If required, please explain:

- **Your academic goals**
- **What affected your progress**
- **Steps you are taking to improve**

Provide your response here

Exceptions

If any of the following apply to you, check the applicable box(es). If an exception applies, you are not required to complete the explanation section.

I am studying at a reduced course load and have permanent or persistent/ prolonged disability on file with OSAP.
I am enrolled in a co-op program with work terms.
