

Student Number

Last Name

First Name

You are required to provide the following information because you are currently on OSAP Academic Probation on your full-time OSAP account. Please complete all sections below and sign and date before uploading within your OSAP application for processing.

The circumstances that affected your academic performance during your most recent OSAP-funded study period

What steps you will take to improve your academic progress.

A description of your academic goals

Attach the following document

A copy of transcripts showing your grades during your probation period. If you have not completed your probation period, you will be asked to provide transcripts in the future. If you change schools in the middle of an academic year while you are on probation, you will be required to provide transcripts from each school you attended during your probationary period.
