1. **COVID-19 Response**

Due to the ongoing COVID-19 pandemic United College is taking measures based on recommendations provided by local public health units to ensure the safety of our students, staff, and community members.

At the time of writing, the federal Government of Canada and the provincial Government of Ontario have implemented physical distancing measures and other mandated lockdown procedures. The ongoing nature of the situation and the potential for strengthening or loosening of government orders has led the College to adapting a flexible approach to our policies and procedures.

The policies and procedures laid out in this version of the Residence Guidebook are intended to take into account the current restrictions and outline potential changes that might occur based on the loosening or strengthening of lockdown and physical distancing measures. It may not account for situations and may be amended regularly. The College commits to informing students of any significant changes to the policies and procedures outlined further.

This version of the Residence Guidebook will be in effect until public health units have indicated the threat of COVID-19 is no longer a concern.

Each area of the Residence Guidebook that has been amended will include [COVID-19] in the header to provide an easy way for readers to find affected policies. The affected policy will be in bold for ease of reference.

If you would like to discuss any of the policies or details regarding the College's decisions, please contact [Steve Prentice](#), Director of Student Life.

2. **COVID-19 Policies**

The University of Waterloo has suspended both its proof of vaccination requirement to enter campus and its face covering requirement. We continue to encourage the use of face masks and vaccination when able.

If you have symptoms of COVID-19 or think you were exposed to the virus you should do the [Ontario self-assessment](#) to get advice on what to do and whether you should self-isolate.

To promote the safety of our community we have implemented several specific policies that will be in place to some degree during the COVID-19 pandemic:

- Students are encouraged to wear masks and practice physical distancing when not on their floors. Mask requirements may be reimplemented based on guidance from our local public health unit and government restrictions.
- Common rooms and areas may be temporarily closed throughout the year, without warning, based on the recommendations of public health or government restrictions.
- In the event that the number of COVID-19 cases exceeds the College's capability of running, the College will close the residence and students will be asked to return home.
- The College may cancel activities and events or limit the number of participants based on the recommendations of public health.
- Watson's Eatery may reduce or limit the hours or scope of operations throughout the year based on the recommendations of public health.
- Students may be required to show proof of vaccination to continue to live in residence or attend residence events, based on the guidance from public health or government restrictions.

Unsanctioned events that violate any physical distancing measures will result in fines and/or penalties.

2.1 Self-Isolating in residence

United's has a limited number of self-isolation beds available. Students who have the means and ability to travel to their permanent residence will be asked to self-isolate there.

Students self-isolating in residence will self-isolate in their room, including students living in double rooms. Roommates will not be moved and should self-monitor for symptoms while their roommate self-isolates.

Students may leave their rooms to use the washroom facilities and to pick up meals from Watson's Eatery. They may not leave their room for any other reason, except to travel to another self-isolation location.

Meals will be arranged for the self-isolating student to select in advance and pick up at scheduled times.

3. TERRITORIAL AND LAND ACKNOWLEDGEMENT

Our College is situated on lands deeply connected to Indigenous peoples who have historically lived, and who currently live, in this territory. We recognize that these lands have always been the source of learning for Indigenous peoples. As an educational institution, we are committed to respecting the traditional knowledge that Indigenous peoples have derived from these lands and learning from their experiences on them.

As you progress through your degree, we encourage you to question the knowledge that you have and are accessing, how that knowledge is transmitted and acquired, and how it can be used to benefit or harm others. We encourage you to challenge colonial knowledge and embrace other forms of knowledge and ways of knowing.

The University of Waterloo acknowledges that we live and work on the traditional territory of the Neutral, Anishinaabe, and Haudenosaunee peoples. The University of Waterloo is situated on the Haldimand Tract, the land promised to the Six Nations that includes six miles on each side of the Grand River.

4. GREETINGS FROM THE PRINCIPAL

Welcome, and thank you for choosing to be part the United's community!

As Waterloo students, you have joined one of the most innovative and dynamic universities anywhere on the planet. It's also a pretty large university. United's will offer you the warmth, support and sense of belonging that are typically found in smaller communities. When you're having a meal in the dining hall, for instance, you'll know, or at least recognize, everyone there. And our faculty and staff will do everything possible to support you and to make your experience here both memorable and successful.

United's is home to two special institutions. One is the Waterloo Indigenous Student Center, which provides academic and cultural support to UW's Indigenous students and also helps the rest of us to better understand Indigenous culture and issues. The other is GreenHouse, a nationally recognized social enterprise incubator that helps students develop to develop ventures and innovations that will further social or environmental progress. I hope you will make time to visit both of these institutions to see what you might learn from them.

I myself spent three of my four undergraduate years in residence. While my classes were very interesting, it was in residence that I really had fun and forged friendships that have lasted a lifetime. I encourage you to be an active member of our community and take full advantage of all that United's has to offer. You won't regret it!

Richard Myers, PhD
Principal
United College

P.S. My office is "The Fishbowl" on the main hallway. I'm usually around and my door is almost always open. Pop in and visit sometime!

5. WELCOME TO UNITED'S RESIDENCE!

Students living at United's are among the best and brightest the University of Waterloo has to offer. They form a caring community that strives for academic excellence and personal growth and development. Living in residence is one of the most incredible experiences you can ever have. You will have the opportunity to meet new people and make new friends, try out different activities, and attend a wide range of events.

The Residence Life Team, Living-Learning Communities, and various United's student led groups, will be your guides throughout the year. They will be planning activities and events, hosting workshops, providing information about resources on campus, and letting you know how you can get involved with them. We encourage you to get involved here and connect with as many main campus resources as possible.

While having fun is certainly a high priority, it is important to remember that you are here to succeed in your program of choice. United's students are held to high standards and we have high expectations of the fantastic individuals in the community. The Residence Guidebook introduces you to living in residence life and lays out policies and procedures you are expected to know as a resident. Please take some time to read through it and ask questions if you are unsure of what something means.

We look forward to getting to know you better throughout the year!

Sincerely,

Steve Prentice
Director of Student Life
United College

7. ABOUT UNITED'S

7.1 Affiliation with University of Waterloo

United's is a not-for-profit institution that exists to serve the University of Waterloo community. At United's, we support Waterloo and its students by:

- Teaching and providing support for Waterloo courses, including the International Development Program, a Minor in Human Rights, and the Canadian and Indigenous Studies program;
- Providing residence to Waterloo students of all faculties, including La Bastille (the French floor), the Environment Living Learning Community, the Indigenous Residence Community, the Women in Engineering Living Learning Community, and the Financial Analysis & Risk Management LLC;
- Providing modern, on-campus Apartments and Suites for Waterloo graduate students and their families;
- Housing the Waterloo Indigenous Student Centre for the University of Waterloo and its students;
- Providing GreenHouse, a unique entrepreneurship community that provides mentors and opportunities for students to further their ventures and explore their passions.

7.2 Mission

United's mission is to research and teach the knowledge, skills and values needed to address complex local and global development issues.

7.3 Core Values

We believe that:

- Scholarship, responsible service and a spirit of innovation are necessary to preserve the world for future generations;
- Education is enhanced by learning in a community of students, faculty and staff; and
- Diversity of perspectives, culture, and faith traditions is essential to a contemporary education.

8. RESIDENCE LIFE

8.1 Residence Life Team Roles

8.1.1 Director, Student Life

Steve Prentice

Residence life is under the leadership of the Director of Student Life, who works with the Residence Life Coordinator (RLC) and Dons. Functioning as a team, they keep the residence running smoothly and in the best interests of all students. The Director holds authority and responsibility for all aspects of residence life, including organizing of activities and admission and dismissal of students.

8.1.2 Residence Life Coordinator

Elizabeth Fletcher

The Residence Life Coordinator (RLC) is an employee of the College, chosen for their commitment to working with the students and the ability to deal effectively with a multitude of situations. The RLC's responsibilities are:

- To encourage the students' personal development within the community of United's as a whole.
- To ensure that the quality of residential life at the College is maintained and that an atmosphere conducive to study and personal growth is provided.
- To offer supervision, counsel, and support to residents and Dons.
- To support the Director in making decisions affecting residence life.

8.1.3 Residence Education Coordinator

Rebecca Smith

The Residence Education Coordinator (REC) oversees activities that contribute to student learning and development while living in residence. The REC's responsibilities are:

- To offer supervision, counsel, and support to the Living Learning Community Peer Leaders.
- Run activities that contribute to the growth and development of students, particularly focusing on social and emotional development.
- Provide opportunities for residents to develop or enhance their student skills.
- Aid students in developing or enhancing skills that will support their entry into the workforce.

8.1.4 Dons

United's Don Team

Dons are senior undergraduate students who are part-time employees appointed by the College and exercise legitimate authority on behalf of the College. Their responsibilities are;

- To build community on their assigned floors through intentional programming, connecting, and relationship building.
- To exercise due authority in order to preserve the best interests of individuals and the floor as a whole.
- To act as resource persons for students in the residence, especially when students feel the need

of more assistance than they can obtain from fellow students and friends.

- To interpret residence policies.
- To deal with emergencies. Dons are trained and equipped to handle minor injuries and illness. They must be notified even in cases where an ill or injured student seems able to cope.
- To maintain security and access. The Don-on-Duty assists students and guests who have misplaced their keys, regulates access to recreational and other areas, etc.

8.1.5 Peer Leaders

United's Peer Leader Team

Peer Leaders are upper year students who provide guidance for first year students in one of the United's Living Learning Communities. United's is home to several Living Learning Communities, all of which have unique Peer Leaders. Peer Leaders are responsible for;

- Providing 1-1 support for students in their Living Learning Community.
- Running events and activities that are directly related to the theme of the Living Learning Community.

8.2 Student Led Teams & Clubs [COVID-19]

United's has several student led teams that form on a voluntary basis each year by the resident students. These teams are:

1. Residence Council
2. GreenTeam
3. Inclusive STP
4. Booster and Wellness

Student Led Teams begin sign up during the first week of classes and membership remains open throughout the year.

Residence Council (RC) is a group of students that responsibly use and manage the Activity Council fee to run college wide events, support extra-curricular involvement, and build a sense of community throughout the community. They also meet regularly with the United's Student Union and leadership team to represent the student body on key initiatives.

GreenTeam is a group of students that work with staff to implement sustainability initiatives across the College.

Inclusive STP showcases the diversity of the United's community through activities, recognition, and advocacy. They highlight issues and support students who identify as LGBTQ++, racialized, marginalized, or minority students to bring forward their voices, experiences, and traditions.

Booster and Wellness promote attendance and support at Women's Varsity Basketball games as well as other wellness related activities. United's is the official Booster Club for the basketball team and our community attends home games and provides a vocal and excited crowd to cheer the team on.

Student Clubs are self-organized and can be started at any time throughout the year. They can be organized around any common interest but must be open to all students. Clubs require one person to act as the executive member and at least 5 other members to form. Once formed, clubs have access to book United's rooms, promotion on social media, and receive a \$50/term allowance.

8.3 United's Student Union

All United's residents are provided a membership to the United's Student Union as part of their residence fees. The Student Union holds elections each March to determine its executive members for the following year. The Student Union represents the interest of all United's students at all levels of College administration and leadership.

8.4 Campus Liaison Officer

United's participates in the Waterloo Campus Police Liaison Program that helps integrate the services of the Campus Police into the United's community life. An officer has been assigned to United's and encouraged to participate in our community. The officer is available to answer questions, provide information and share knowledge. United's Waterloo Campus Liaison officer is Dan Legault.

8.5 Student Refugee Support Program

Each year United's supports a refugee student living at the College for their first and second year of studies at Waterloo. United's undergraduate residents have the opportunity to contribute towards this support through the voluntary \$25 refugee levy added to their residence fees. United's was the first residence on campus to partner with the Waterloo Student Refugee Program (SRP), part of the World University Service of Canada (WUSC). WUSC has been successfully enabling refugee students from all over the world to continue their education in Canada. Support of a student refugee is one way United's works towards fulfilling our vision to shape a just and humane world. For more information visit wusc.ca.

8.6 Faculty of Environment Living (ENV) Learning Community

University of Waterloo's Living Learning Community for first-year students in the Faculty of Environment is located at United's. Students in the LLC live in small groups from the same faculty and are supported by upper year Peer Leaders. LLC events encourage students to interact outside of the classroom with other students from within the faculty, but not necessarily the same program. The Peer Leaders run fun activities with academic focus to help you be successful in your courses.

8.7 Women in Engineering (WiE) Living Learning Community

The Women in Engineering Living Learning Community is a unique program that supports female identified engineering students in their first year at the University of Waterloo. Students in the WiE LLC live in clusters throughout the residence and are supported by upper year Peer Leaders. The WiE LLC creates a strong sense of belonging for students who may feel underrepresented in their program or Faculty.

8.8 Financial Analysis & Risk Management (FARM) Living Learning Community

The Financial Analysis and Risk Management Living Learning Community is a unique program that supports students studying in FARM during their first year at the University of Waterloo. Students in the FARM LLC live in clusters throughout the residence and are supported by Peer Leaders. Students are enrolled in the same core MATH courses taught right at United's to enhance the opportunity to combine the curricular and extracurricular. Peer Leaders and the FARM Student Association plan events and activities to increase the sense of community within the program and provide valuable support.

8.9 La Bastille French Language and Culture Floor

Students on La Bastille represent students from all over the world who want to maintain aspects of their French culture or improve or maintain their French language skills. Activities and events are organized for the floor and students are encouraged to speak French when they are on the floor.

8.10 GreenHouse Social Innovation Community

GreenHouse is a student community at United's working on creating ventures that seek to solve problems in the local and global community. For information about GreenHouse and their students visit <https://uwaterloo.ca/stpauls/greenhouse>.

8.11 Indigenous Residence Community

The Indigenous Residence Community works with the Waterloo Indigenous Student Centre to provide support for indigenous identified first year students. Students live in close proximity with one another, are invited to activities and events, and have an upper year Peer Leader who meets with them on a regular basis.

9. FACILITIES & SERVICES

9.1 Alumni Hall [COVID-19]

Alumni Hall is a multi-purpose room that serves as a large meeting space, classroom, and special event venue. Alumni Hall is available for quiet study at all times unless booked. Students are welcome to use the piano in Alumni Hall if it is not being used for study or for a booked event. **If required, a maximum capacity will be displayed on the exterior of the room to indicate how many students may use the space based on physical distancing recommendations.**

9.2 East Wing Kitchen [COVID-19]

Adjacent to the laundry room on the first floor of our East Wing is a small kitchenette area with a sink, microwave and wall oven. Students who wish to use the kitchen facilities must bring their own cooking or baking supplies and utensils. Please keep the area clean so that all students can enjoy the facility. **The kitchens may be temporarily or permanently shut based on the recommendations of public health.**

9.3 Edward Jackman Reading Room [COVID-19]

This room on the main floor near the Indigenous mural is available for quiet reading. It is named for the Rev. Ed Jackman, whose generous donation made the room possible. Quality literature is available for students to borrow. **If required, a maximum capacity will be displayed on the exterior of the room to indicate how many students may use the space based on physical distancing recommendations.**

9.4 Elevator [COVID-19]

An elevator connects the main floors to the East Wing and the Green Wing. Students with restricted mobility should use the lift instead of the stairs for safety. The West Wing does not have elevator access. **If required, a maximum capacity will be displayed on the exterior of the elevator to indicate how many students may use the elevator based on physical distancing recommendations.**

9.5 Games Area [COVID-19]

The games area in the Watson's Student Centre provides games equipment such as board games, pool, ping pong, and foosball. This equipment is provided for students by the Activity Council. Please report missing or damaged equipment using the online Maintenance Request Form. **If required, a maximum capacity will be displayed on the exterior of the room to indicate how many students may use the space based on physical distancing recommendations.**

9.6 STP Green [COVID-19]

Students are welcome to use the STP Green for informal or organized activities. The Green space can be reserved through Student & Guest Services. Sports equipment such as soccer balls and toboggans can be borrowed from the College. **If required, a maximum capacity will be announced to indicate how many students may use the Green based on physical distancing recommendations.**

The WISC ceremonial fire pit, located beside the river, holds important spiritual and cultural meaning. Use of the fire is strictly prohibited unless approved by the WISC. Please respect the space and its significance for the indigenous students and peoples on campus.

9.7 Green Wing Kitchenettes [COVID-19]

Each residence floor on the Green Wing has a kitchenette with sink, microwaves, and induction stove tops for student use. All residents have access to all kitchenettes. Pots and pans for the induction burners are provided by the College. Students wishing to use the kitchenettes must bring their own utensils and cooking supplies. Students are responsible for cleaning up after themselves. Dishes and other belongings left unattended will be removed. Please be mindful of the adjacent residence rooms and keep noise to a reasonable level. The Kitchenettes should not be used after quiet hours. **Cooking equipment may not be provided during the COVID-19 pandemic due to the difficulties of ensuring safety and proper cleaning.**

9.7.1 Allergies

Due to the nature of living in a residence community, the College cannot guarantee that any area of the College will be free from allergens, including residence rooms. Any common cooking area has the risk of exposure to allergens. If you have a serious allergy please speak with the Dons and the other students on your floor to alert them of your allergy. If you know someone on the floor has an allergy please be mindful when you are preparing food and clean up appropriately.

9.8 GreenHouse Incubation Space [COVID-19]

Students have access to the GreenHouse Incubation Space, located adjacent to the Watson's Multipurpose Room. This area can only be accessed with a key fob and may be restricted for GreenHouse activity periodically. All students may access the GreenHouse area during their designated open times. **If required, a maximum capacity will be displayed on the exterior of the room to indicate how many students may use the space based on physical distancing recommendations.**

9.9 Internet – ResNet

United's provides wireless internet to all common areas and residence rooms and all dorm rooms at United's are wired for internet. Internet is supplied through ResNet, a self-setup internet program provided by the University of Waterloo. The guidelines, along with detailed information on ResNet is available at

<http://uwaterloo.ca/housing/technology/internet/equipment-setup>

A ResNet package, including a description of the connection process, is provided when you move in. Note: The use of ResNet is governed by the current user policy of uWaterloo not United College.

The network (wired and wireless) is monitored and maintained by UW IST; United's has no control over any of it (speed, connectivity, etc.). If you have a problem with the ResNet in your room please use the University of Waterloo IST portal to log a ticket:
<https://uwaterloo.atlassian.net/servicedesk/customer/portals>.

Waterloo and United College reserve the right to terminate an internet connection without notice as a result of misuse. Reinstatement of the connection is at the discretion of United's.

9.9.1 Routers

Routers are not allowed in the residence as they disrupt the wireless internet throughout the building. This can cause the internet to become slow or unresponsive for other residents. Students who have a router active will be asked to remove it. Ongoing use of a router will result in penalties.

9.10 Laundry [COVID-19]

Commercial laundry rooms are located in the East Wing and West Wing of the residence. The laundry machines are activated using loadable laundry cards. Laundry cards can be loaded at the card dispenser in the East Wing laundry room. Purchasing loadable credit is a final sale and no refunds will be given for balances remaining on the card. Report any machine breakdown or malfunction using an online Maintenance Request form. **If required, a maximum capacity will be displayed on the exterior of the room to indicate how many students may use the space based on physical distancing recommendations.**

9.11 Mail / Packages / Deliveries [COVID-19]

Mail and packages and large items will be kept in the Student & Guest Services and you will be notified by email if you have mail or packages to be picked up.

United's accepts mail/packages/deliveries during business hours for the convenience of students. However, United's is not responsible for lost or stolen mail/packages/deliveries, even if United's has signed for them.

United's will mail letters on your behalf, however, Canada Post mailboxes are located at the Student Life Centre, as well as Westmount Rd N & Longfellow Drive (across from Conrad Grebel).

United's will only hold mail after a student leaves if a written request is submitted before leaving and then only for two weeks. It is the responsibility of the student to make necessary arrangements for proper forwarding of all mail.

9.12 Photocopier

A public photocopier is located near Student & Guest Services. The copier accepts WATCARD payment only.

9.13 Recycling

United's has a comprehensive recycling system. There are blue bags in each residence room for cans, bottles, boxes, and paper. When the blue bag in your room is full please take your recyclables to the recycling depot located by the garbage enclosure in the parking lot.

9.13.1 E-waste

Disposable batteries, rechargeable batteries, cellphones, computers, monitors, printers, printer cartridges and compact fluorescent light bulbs can be dropped off at Student & Guest Services for recycling. Please use these facilities and stay alert to opportunities to reduce waste.

9.14 Room 118 [COVID-19]

Room 118 is a multi-purpose room used for meetings, events, classes, playing instruments, and student study. There is a piano in the room that students are welcome to play. This room may be booked periodically. **If required, a maximum capacity will be displayed on the exterior of the room to indicate how many students may use the space based on physical distancing recommendations.**

9.15 Staff Rooms

The Staff Kitchen (STP 224) is for exclusive use for United's staff and faculty. The Staff Meeting Room (STP 220) may be used by students when not in use by staff. Staff have reserved rights to the room at all times and students are expected to vacate immediately if asked by an STP staff member.

9.16 Student & Guest Services [COVID-19]

The Student & Guest Services team is ready to assist you and answer your questions. The Centre is open from 8:30 a.m. to 4:30 p.m. **Hours may be adjusted based on physical distancing recommendations.**

9.17 TV Room [COVID-19]

The TV Room is available 24 hours a day for watching television and videos. Please enjoy the TV Room at an appropriate volume level, and close the doors if disrupting others. All TV Room functions can be controlled using the touch screen wall panel. Sleeping overnight in the TV Room is not permitted. **If required, a maximum capacity will be displayed on the exterior of the room to indicate how many students may use the space based on physical distancing recommendations.**

9.18 Waterloo Indigenous Student Centre (WISC) [COVID-19]

The Waterloo Indigenous Student Centre is located at United's. The Centre is a space dedicated to Indigenous education for University of Waterloo students, faculty and staff. The Centre provides culturally relevant information, facilitates the sharing of Indigenous knowledge, and provides support services for all members of the University of Waterloo's community including Indigenous and non- Indigenous students, staff, and faculty. Students are welcome. **If required, a maximum capacity will be displayed on the exterior of the room to indicate how many students may use the space based on physical distancing recommendations.**

9.19 WISC Ceremonial Fire Grounds

The WISC ceremonial fire grounds, located beside the river, holds important spiritual and cultural meaning for indigenous students, staff, and faculty. Use of the fire is strictly prohibited unless approved by the WISC. Please respect the space and its significance for the indigenous students and peoples on campus.

9.20 Watson's Multipurpose Room [COVID-19]

Adjacent to Watson's Eatery is the Multipurpose Room, used as a lounge and event space for all students. Furniture may be moved throughout the space but must not block exits or pathways. The College has the right to move furniture back to its original space or to new space as it sees fit.

There are three study rooms that are free to use for individual or group study.

If required, a maximum capacity will be displayed on the exterior of the room to indicate how many students may use the space based on physical distancing recommendations.

9.21 Waterloo Shuttle Service [COVID-19]

The On Campus Shuttle runs out of Waterloo Police & Parking Services from 7 p.m. till 2 a.m. daily. The Shuttle will pick up students, staff and faculty on campus and take them to other locals on campus at no cost. . The On Campus Shuttle stops at all bus stops around ring road.

The Off Campus Shuttle runs out of Turn Key Desk in the Student Life Centre. Students go to the TurnKey Desk and sign up in advance for rides that leave on the hour between 7 p.m. and 1 a.m. This service is provided 7 days a week and you are required to show your WatCard. The Turnkey Desk can be contacted at 519-888-4434.

The shuttle may not run during the COVID-19 pandemic due to the campus closure. Please check with the Turn Key Desk in the SLC before accessing this service.

9.22 Watson's Student Centre [COVID-19]

This community hub contains Watson's Eatery, the United's cafeteria, and the TV Room. Watson's is named for Bill Watson & Jeanne Elgie-Watson, generous benefactors of the College.

Events may be held in the Watson's Student Centre provided the event organizer receives permission from the College.

If required, a maximum capacity will be displayed on the exterior of the room to indicate how many students may use the space based on physical distancing recommendations.

11. FEES

Student & Guest Services Centre is open to receive payments during office hours. You are responsible for the following:

- Residence fees including meal plan
- Activity Council fee
- Voluntary Levy (Refugee Student Support)

These fees are included in the Residence Agreement you signed.

11.1 Payment of Fees

The balance of your fees owing to United's and the non-refundable deposit for either the Fall, Winter or Spring term must be paid on the due dates stated on your Residence Agreement. If you have any questions concerning the payment of your fees, please contact the Student & Guest Services Centre. If payment has not been received in full by the due date set out in your Residence Agreement, your outstanding account will be charged a late fee by the College at the rate of 1.5% per month levied on any outstanding fee balances paid after the due date and at the beginning of each new month they remain outstanding. Students who fail to pay their residence fees by the date outlined on their respective Residence Agreement will have their Quest accounts placed on hold with the Registrar's office preventing course registration, grade viewing and graduation until fees are paid. Students will be charged a fee for cheques returned to United's identified as NSF (Non-Sufficient Funds).

OSAP recipients qualify for a fee deadline extension each term. To qualify for the OSAP extension date, we require your government notice of assessment or electronic status summary to be submitted to United's before the standard payment date.

11.2 Non-Refundable Deposit

The residence fee deposit(s) is non-refundable once received.

11.3 Non-Refundable Residence Fees

The total fee balance set out in the Residence Agreement is not refundable and becomes payable upon delivery of an executed copy of the Residence Agreement. In other words, once a Resident Agreement is signed a student is agreeing to pay the fee balance amount(s) even if he/she does not move in, or moves out, or vacates the dormitory room prior to the end of the semester/term, or does not return for the second of two terms. The College, at its discretion, may grant an exception in the case of a student who must academically or medically withdraw from the University of Waterloo

12. FOOD SERVICE [COVID-19]

Based on physical distancing guidelines and recommendations, Watson's Eatery may:

- Reduce or limit the hours of operation throughout the year based on the recommendations of public health.
- Modify how food is served to students, particularly to limit self-serve stations.
- Limit the number of students allowed to enter the serving area.
- Require take out or pick up options.
- Prohibit access to the serving area if students are not following physical distancing procedures.

We recognize that COVID-19 requires varying degrees of restriction and service modification. Restrictions and service may be modified based on the changing impact of COVID-19.

12.1 General Information

Convenient food service, including resident meal plan service, is provided at Watson’s Eatery in the Watson’s Student Centre at United College.

12.3 The Meal Plan

- Full Meal Plan card holders are entitled to unlimited food during regular meal hours;
- The meal plan does not carry any balance and is non-transferable; the plan expires at the end of the term on your day of move out.
- Your assigned meal plan card/fob is required to obtain all meal plan services, no exceptions. Replacement cards/fobs can be purchased from the Student & Guest Services Centre for \$25.

How It Works

- Your meal card/fob will be scanned every time that you acquire any food or beverage product;
- You have unlimited use of the card – we encourage students to take less and go back for more to reduce food waste;
- The meal card/fob is only usable by the registered card/fob holder and is non-transferable. You may not use your card/fob to get meals for another person;
- Food acquired through the meal plan must be consumed in Watson's Student Centre, unless you have requested a pre-made take out option in advance.

Extras

- Some retail items are not included in the meal plan and can be purchased at the cash register;
- Vending machines are available 24/7;
- Families and friends may purchase their meals at the cash register.

12.4 Pack Lunches & Late Dinners

Pack lunches and late dinners are available when a resident submits a pre-order meal form by 4:00 p.m. for the next day. Meal pick up is in the Coke fridge located in the hallway behind the cash register in Watson's. Do not take any meals out of that fridge unless you have ordered one as this is theft from your fellow residents.

12.5 Special Dietary Needs

Special dietary requirements may be catered to by the food service staff, although food preparation according to religious prescription or medical requirements cannot be guaranteed. Should you have dietary restrictions or allergies that may not be catered to within our regular menu rotation please contact our food services manager at unitedmanager@browns.ca to set up a meeting to discuss further to see how we may be able to better accommodate you.

12.6 Dishes & Cutlery

The removal of dishes, cups, or cutlery from the Watson's Student Centre is not permitted.

12.7 Guest Meals

Guests are more than welcome to come and purchase a meal at any time, though they may not use your meal plan. Visitors who are not on a United College meal plan must pay for meals, and residents cannot get food from the Eatery for guests - they must purchase their food. Guests can pay at the till using cash, debit or credit. Meals taken by residents for guests on their meal plan will be considered theft and treated accordingly. Guests can also purchase a retail food meal plan and the details can be found on our website at: <https://uwaterloo.ca/stpauls/food-services/food/meal-plans>

13. GUIDELINES & POLICIES

13.1 General Expectations [COVID-19]

The ideal of the United's community is that students act maturely, interact sensibly, do not engage in misconduct, and make a meaningful contribution to the life of the College. Students are expected to treat each other, and other members of the community, with dignity and respect. Proper decorum pertains to both language and action, at the College, on-campus and at United's functions that are held off-campus. In any residential community, rules and regulations are needed to ensure the efficient operation of the

residence and the maximum enjoyment and satisfaction of all members. As a close-knit community, rules and regulations and policies and guidelines at United's are expected to be upheld by all residents. Where necessary, violations of United's rules, regulations, and/or policies are enforced with fines, discipline, and expulsion.

It is expected that students will support all physical distancing measures outlined by the College or set out by the governments of Ontario or Canada. Failure to follow physical distancing measures may result in refusal of service, fines, or other penalties.

13.2 Student Issues & Discipline

Any matter concerning residence life that needs reconciliation must be dealt with in the following manner:

1. Discuss the issue with the person you are in tension with;
2. Discuss the issue with your Don;
3. If the Don cannot assist you, they will seek additional support from the Residence Life Coordinator;
4. If the Residence Life Coordinator cannot assist you, they will seek the support of the Director of Student Life.

If discipline is necessary, it is up to the discretion of the Director of Student Life to fine a student, or in an extreme case, to expel the student from the College. In the latter case, the student must leave the College immediately, surrendering all keys to the Residence Life Team staff. The expelled student must still fulfill their contracted obligation to pay residence fees until the contract expires. The disciplined student may appeal the decision (outlined below) but must comply to all aspects of the decision until a new decision is reached.

13.3 Sanctions

Sanctions are outcomes that can occur if a student is found to be in violation of United's policies and guidelines. The sanction is determined by the Residence Life Coordinator or Director of Student Life based on the unique circumstances of the incident. Sanctions can include, but are not limited to, the following:

- Monetary fine;
- Written assignment;
- Community Service;
- Loss of privileges (such as guests, or alcohol);
- Another option as deemed appropriate by the RLC or Director.

13.4 Fines

Fines are one type of sanction that may be issued for inappropriate behaviour of any student who does not abide by the policies and guidelines of United College. Fines must be paid directly to Student & Guest Services Centre according to the terms stipulated by the Director of Student Life. Students who fail to pay their fines will have their Quest accounts placed on a hold with the Registrar's Office preventing course registration, grade viewing and graduation until fees are paid. Any student who repeatedly receives fines will be placed on a Behaviour Contract.

13.5 Behaviour Contract

In cases of repeated behavior issues or circumstances deemed to be extreme, the Director may enact a Behavior Contract with the student. A Behaviour Contract outlines the expected behavior adjustments required to remain in residence. Failure to sign the contract or abide by the terms of a Behaviour Contract

will lead to expulsion from residence without refund.

13.6 Expulsion from residence

In cases of extreme risk to the safety and wellbeing of the community, or upon breaching the terms of a Behavior Contract, a student may be expelled from the residence. The student forfeits any payments to the College and must hand in all keys immediately, or at another time agreed to by the Director.

13.7 Appeals

An appeal can be made regarding the outcome of student issues or discipline. Appeals can be made if there is a procedural irregularity or new information is presented. The first appeal must be to the individual who made the decision. Further appeals can be submitted to the Director of Student Life. Appeals regarding decisions made by the Director may be made to the Principal. The Principal's decision will be final on all matters. During the appeal process the original decision shall stand and the student is expected to uphold the details of that decision until a new decision is made.

13.8 Keys

Upon arrival you will receive a key fob for entry into the building and residence floors. You may also receive a room key, mailbox key, a meal card and a loadable laundry card. If you lose your keys or cards you will be charged for a replacement as outlined in your contract. Keys may not be duplicated or lent to another person.

13.9 Roommates

All residents at United's with double rooms will be paired with a student of the same gender. Students have the opportunity to select their preferred roommate on the Personal Information Form. Both students must name each other as the preferred roommate. Roommate requests are not guaranteed.

United's has the right to move a student to a different room if they are of the same contract type. This typically occurs if a student's roommate is in a co-op stream and vacates their room after the first term of their contract. This may also occur if the student's roommate withdraws or is dismissed from their contract, or the room a student is occupying becomes inaccessible due to damage, health concerns, etc.

13.10 Student Room Information

The rooms are allocated by the Director of Student Life before the beginning of the term. The College reserves the right to change your room assignment between terms, or at any time during your stay.

13.10.1 *Move In [COVID-19]*

You may move into your room at the day and time outlined on your Residence Agreement. Under special circumstances, students may be permitted to move in early (details outlined below).

The College may require students to move in during scheduled times to limit the number of students moving in at one time. Move In may be scheduled over multiple days to ensure that surfaces can be cleaned regularly between students moving in. Students may be required to register any guests assisting with Move In. The number of guests may be limited by the College.

13.10.2 *Move Out & Extension Requests*

You must vacate your room within 24 hours of completing your final examinations, within 24 hours of your last class if you don't have an exam, or by 10:00 am on the day the residence closes each term, whichever is sooner.

In most cases, students returning to residence the following term may be allowed to leave their belongings in their rooms.

Under special circumstances, students may request a move-out extension by a published deadline. Permission to do so requires completion of a request form by a specified deadline and College approval. Extension requests are granted at the sole discretion of the College and are not guaranteed. Should a move-out extension be granted, you will be required to move-out by 10:00am on the date agreed upon.

13.10.3 *Beds*

You are provided with a mattress and cover. A pillow, a blanket, and a bedspread sheets and pillowcases are your responsibility. The construction of bunk beds is not permitted without the authorization of the College. No cinder blocks or bricks are allowed to prop up beds. You may bring a bed role for support but may not bring a mattress as they are often contributors of pests.

13.10.4 *Furniture*

Your room is furnished by the College and includes the necessary furniture for your residence stay. Couches violate fire safety rules, and are not permitted. Note: There must be a 2 foot clearance all around the centre dresser unit in double rooms. Furniture must not be removed from the rooms or from the central areas of the College (i.e. lounges, and common rooms). Damaged items are charged to the resident.

13.10.5 *Room Decoration and Care*

You are expected to leave your room as you found it with all items belonging to the College in the room. All personal items must be removed. No de-/re-construction or disassembly of any item in the room is allowed. You may decorate your room as you please, as long as you do not cause any damage or display anything deemed offensive. Use reusable adhesive to hang posters (see poster policy). Packing tape, duct tape, glue, screws, nails, and similar fastening devices may not be used. Residents will be charged for the repair costs for damage done to walls, ceilings, floors and furniture.

13.10.6 *Temperature in Dorm Rooms*

Every room is individually temperature controlled

The heating in the double rooms is provided by a combination of the building's energy efficient boiler and the PTAC (Packaged Terminal Air Conditioner) unit located in each room. The room temperature is controlled by the wall thermostat located just inside the door.

If you are in a single room and have a PTAC unit installed please be conscious of how long it is on for and the temperature that it is set at. 23 degrees is a comfortable level. Please do not open your window if the PTAC unit is running.

The Super Single Rooms are heated and cooled through a high efficiency heating and cooling system that is controlled by the thermostat in each room.

13.10.7 Food

Any food kept in a room must be stored in covered containers.

13.10.8 Electrical Appliances

Rooms are designed only for reasonable levels of energy consumption. Hair dryers, razors, stereos, etc. present no problem if used separately. The laundry room on the east wing is fitted with heavy-duty wiring. You may plug kettles or small appliances into these outlets. Please do not leave these items unattended. The College does not permit:

- Portable heaters,
- Hot plates, pressure cookers, rice cookers, and other similar cooking devices,
- Washing machines.

The list of prohibited appliances is at the discretion of the College. The purpose of prohibiting items is to ensure safety of the community and to avoid unnecessary energy consumption.

13.10.9 Refrigerators

You may bring your own refrigerator into a room only if it does not exceed the maximum size of 5 cubic feet. Small refrigerators are available for rent at United's on a term by term basis. Contact United's Student & Guest Services for details.

Refrigerators must be kept clean and removed at the end of your contract. Limit of one fridge per room.

13.10.10 Pets

Pets are welcome to visit but are not allowed to stay in the residence rooms overnight, with the exception of support animals that have been registered with the College. Pets are the responsibility of the resident hosting them. Pets are only welcome as long as the community feels comfortable with them. If any resident, staff, or guest of the College feels threatened or demonstrates a reasonable concern (such as allergies or phobia) the pet will be not be allowed to enter the residence.

All support animals must be identified to the Director of Student Life.

13.10.11 Bed Bugs & Pests

Should a case of bedbugs or other pests be confirmed, no refund or reduction of residence fees will occur and residents will not be relocated due to the increased risk of spreading the pest. Pest eradication can be a lengthy process and it may take repeated actions to treat the issue.

13.11 Insurance

Residents are responsible for carrying insurance against loss of personal possessions. United's is not liable for theft or damage of personal belongings.

13.12 Guests [COVID-19]

A student is allowed to have an overnight guest. If a student has a roommate, they may only have a guest if the roommate consents. The right of the roommate who does not wish to host a guest supersedes that of the student who would like to invite a guest. A non-resident guest may occupy a student's room

overnight by meeting the following conditions:

- The student host is present at all times,
- has consent of the roommate,
- and completes an Overnight Guest Form (available from a Don, or at Student & Guest Services) and submits it to the Don of the floor *before* the arrival of the guest.

The host takes full responsibility for the guest and his/her behavior and actions. The guest is subject to all College policies. Guests are not permitted during Orientation Week or the exam periods. United's reserves the right to ask that guest to leave anytime during their stay.

There may only be two guests per room, regardless of which roommate completes the Overnight Guest Form.

Guests will be required to register with the College before entering. The College may limit the number of guests allowed in the residence at any one time.

13.13 Subletting and Additional Occupants

Subletting of rooms is not permitted and a violation of the residence contract.

Additional occupants of a room are not permitted. Guests found to be occupying a room for extended periods of time will be asked to leave.

Cohabitation of rooms is not permitted, nor is room switching regardless of roommate consent.

13.14 Maintenance & Entry of Rooms

If you need repairs to your room, fill out a Maintenance Request Form and return it to Student & Guest Services Centre, which will facilitate the work and follow up on it in a timely manner. Your Residence Agreement requires you to maintain a clean room and a safe room. Authorized personnel are allowed to enter a student's room when they believe that emergency conditions or a threat to the health and safety of individuals exist. The maintenance staff has the right to enter all student rooms to make repairs or perform preventative maintenance.

13.15 Early Move-in Request

United's does not permit moving in any earlier than the date and time outlined on your Residence Agreement. The College cannot have residents move in early as Residence staff are not present, and scheduled maintenance and housekeeping functions are being performed to ensure a warm welcome.

United's may allow early move in for students participating in university sanctioned programs such as early Orientation activities and Varsity sports. To be eligible for an early move in you must be registered with that program and arrange move in details with the College in advance of your arrival. The College reserves the right to accept or deny the request at its discretion.

Should you require housing prior to your move-in date United's has hotel rooms on-site that you can rent on a nightly basis, subject to availability. For more information, please see our website at:

<https://uwaterloo.ca/stpauls/guest-rooms-conferences/guest-rooms>

13.16 Check-out Procedure

When leaving at the end of the term, you must have your room inspected by a College designate as well as hand in your keys. In the final month of each term, you will have a scheduled unit inspection. The College is not responsible for articles left between terms. If a room is left in unacceptable condition, an additional surcharge will be levied to the student(s) for cleaning, disposal, replacement or repairs.

13.17 End of Term Procedure

Each United's student has signed a contract that requires them to move out on the **earlier of**: (i) within 24 hours after their last exam; (ii) within 24 hours of your last class if you do not have final exams; or (iii) by 10:00 am on the day the residence closes each term. The Residence Life Team will be overseeing the move out of all students. Any student who does not vacate within the aforementioned period will be fined \$100 for each day they remain in residence.

Each student will have a mandatory unit inspection scheduled for them before they leave. You will find a checklist posted on your floor of what is required for you to complete before your scheduled inspection. Upon successful completion of your inspection you are free to leave for the term.

13.18 Student Status

All contracted Residents must be registered in a program approved by United's with a minimum part-time status or co-op status.

13.19 Being Environmentally Responsible [COVID-19]

Please make it a foremost priority to turn off all lights in areas or rooms that are not in use. Even if you plan to leave an area for only a short while, turn off the lights. The only exception is in areas where security must be of first importance.

Heat and cold air are provided through the energy efficient boiler and cooling systems. Each unit has individual temperature control options. For details on the different systems please see 10.10.4 or request to speak with the United's Facility Team.

When showering, consider having a shorter shower to conserve water. The average shower length should be 5 minutes. You might want to shower in the evening to help preserve the hot water since many people will be showering in the morning which is also when Watson's is using a large amount of water for food preparation.

We are still committed to our goal of environmental responsibility but we regret that due to the current situation we may need to increase the number of single-use products used to ensure student safety.

13.20 Dress Code [COVID-19]

It is not permitted to enter the public areas of United's without shoes or appropriate dress. Bare feet and bare chests, are not permitted in public areas.

Students may be asked to wear masks when in certain common areas or attending events.

13.21 Washrooms [COVID-19]

The West Wing has Male & Female gender designated washrooms provided on each residence floor. Each washroom is cleaned daily (Mon-Fri) and provided exclusively for the gender specified at the washroom entrance. Students may select the gender they identify with; however, they must use that washroom for the entirety of their residence stay. The East Wing has gender-neutral washrooms available. East Wing washrooms are separated into individual units containing a shower, sink and toilet.

Rooms in the Green Wing have ensuite washrooms provided. Ensuite washrooms are cleaned on a regular basis by maintenance staff to ensure that they meet the necessary hygiene standards.

Co-ed showering or bathing is not permitted in any washroom.

Students on floors with shared washroom facilities may be assigned a specific toilet, shower, and sink to use. Cleaning of washrooms and common rooms has been increased and includes weekend cleaning.

13.22 Poster Policy

All posters, decorations and wall coverings that residents attach to the walls of their assigned residence room must be affixed by using the non-marking putty product. Use of scotch tape, duct tape, binding tape, glue, nails, screws, nails, tacks and other adhesives is prohibited. Damage to walls, doors, windows, flooring, ceilings, or furniture caused by the Resident or his/her permitted guests/invitees will be repaired by United's at the Resident's sole cost and expense. A package of the putty product will be in your room when you arrive. Additional non-marking putty can be purchased from stationary and department stores.

13.23 Noise Level

Quiet hours are 11:00 pm. to 8:00 a.m. during the week (weekdays and Sundays) and 1:15 a.m. to 8:00 a.m. on the weekends (Fridays and Saturdays). Students are required to use earphones for music in order to be respectful of others. Musical instruments are welcome at United's, please keep in mind that you are expected to exercise consideration and courtesy in selecting volume levels, hours of practice, etc. Be considerate, by keeping the noise level at a minimum. Note the special exam period circumstances outlined in the "End of Term Procedures" section.

13.23.1 Exam Quiet Hours

During the exam period quiet hours are in place. It is expected that the residence floors become a quiet environment that is conducive to studying. The following 3 hours are social hours, where music and talking can occur at an acceptable level.

12:00 – 1:00 p.m.

5:00 – 6:00 p.m.

10:00 – 11:00 p.m.

All other times are quiet hours, so please be respectful.

13.24 Parking

Parking is available for Residents on a term-by-term basis. Parking permits can be purchased at Student & Guest Services Centre and are sold on a first-come, first-served basis. Refunds are not provided for parking permits. All sales are final. Parking permit holders please review United's Parking Regulations found on our website: <https://uwaterloo.ca/stpauls/food-services/parking>

Daily parking passes, subject to availability, can be purchased from the Student and Guest Service Centre and/or the Pay & Display machine located in front of the main entrance.

All vehicles must display a valid parking permit at all times and park in designated spaces. Violators will be ticketed or towed at their own expense. United's takes no responsibility for damages or theft of vehicles or vehicle contents on United's property.

13.25 Bicycles

Bicycles may not be kept in a residence room or hallways due to fire and safety regulations. In order to significantly reduce the risk of your bike being stolen use a U-lock through the bike frame and front tire. U-locks can be purchased at all bicycle stores and most large department stores.

14. SECURITY & SAFETY

14.1 College Security [COVID-19]

The main entrance doors to United's are unlocked from 8:00 a.m. to 8:00 p.m. daily. Residence wings are locked at all times and you need to take your exterior door key fob with you at all times. Never prop outside doors open. If you see someone in the residence area whom you do not recognize, ask him or her why they are here. If the person does not have a legitimate reason for being there, ask them to leave, or call a Don. If you feel threatened or unsafe at any time, remove yourself from the situation and contact Waterloo Campus Police at 519-885-4911. When you are in your room, feel free to leave your room door open with the consent of your roommate. When you leave your room, always lock your door.

It is strongly encouraged that you download the WatSafe App available on most phones.

Due to COVID-19, the main doors may be locked. Guests must follow the procedures outlined on the main doors to gain access.

14.2 Sexual Violence Policy

The Management of United College is committed to the prevention of sexual violence involving student Residents at United College.

Sexual Violence is defined as any sexual act or act targeting a person's sexuality, gender identity or gender expression, whether the act is physical or psychological in nature, that is committed, threatened or attempted against a person without the person's consent, and includes sexual assault, sexual harassment, stalking, indecent exposure, voyeurism and sexual exploitation.

United College student Residents are University of Waterloo students, and are therefore bound to the Waterloo policy for rules, prevention, and response regarding Sexual Violence. This Waterloo policy is Policy 42 – Prevention and Response to Sexual Violence (https://uwaterloo.ca/equity/sites/ca.equity/files/uploads/files/policy_42_prevention_and_response_to_sexual_violence_1.pdf)

United College will refer all Sexual Violence matters to the appropriate University of Waterloo practices listed in Policy 42.

14.3 Restricted Areas

Residents must refrain from entering restricted areas which include: roof tops, window sills, walls, trees, roof access doors, electrical rooms, boiler rooms, service closets, storage areas, Watson's Eatery kitchen, and any area with restricted access due to emergencies, maintenance, or security reasons. The staff kitchen, staff offices, staff copy & mail room, and staff meeting room are also restricted unless participating in a sanctioned College activity or meeting.

14.4 Fire / Smoke Detectors

It is against the law to modify, disconnect or block a fire / smoke detector and any student found doing this will be fined. The fine will be issued to both roommates in double rooms, and the individual resident in single and super single rooms. Be smart, don't tamper with the smoke alarms designed to keep our community safe.

College staff will also complete an unscheduled fire alarm inspection each term.

14.5 Smoking / Alcohol / Drugs

14.5.1 Smoking

The entire College is a smoke free environment. Smoking is also prohibited on United's property except in the designated smoking area. The designated smoking area is located at the picnic table between the west wing and the apartment building. This policy applies throughout the year in all weather. You must dispose of smoking garbage appropriately in the containers provided. Smoking in the residence will result in fines, expulsion or both.

Vaporizers, e-cigarettes, or similar products that produces vapour or smoke will be treated as smoking.

14.5.2 Alcohol & Cannabis

It is one of the ideals of United's to educate students in establishing mature and responsible habits in their consumption of alcohol and Cannabis. All students are expected to be moderate in the consumption of alcohol and cannabis and to respect those who do not consume alcohol or cannabis. As an institution, United's abides by the Liquor Control Act, Liquor License Act of Ontario, and the Cannabis Control Act.

- Only persons aged 19 or over are legally allowed to consume alcohol and cannabis;
- There is a fine or sanction for underage drinking or impairment on United's premises. Repeat occurrences will result in escalating fines, sanctions or expulsion from the residence;
- Residents who host under age persons and/or serve alcohol or cannabis to underage persons will receive sanctions;
- Residents who are under the age of 19 who have alcohol or cannabis in their possession will have it confiscated and receive sanctions;
- Consumption of alcohol or cannabis by of-age individuals is restricted to residence rooms;
- Kegs and the storage of large amounts of alcohol are not permitted in any residence room (over 26oz of liquor, or 24 cans/bottles of beer/student);
- Alcohol may not be sold in the residence without a Liquor Permit;
- Participation in drinking games or imitation drinking games (ie "Water Pong") or any activity that promotes rapid consumption of alcohol is prohibited in the residence or on the residence property;
- Drunken misbehavior regardless of age will not be tolerated and will result in sanctions.

14.5.3 Drugs & Illegals Substances

Use or possession of illegal drugs will result in police involvement and a sanction which may include the immediate expulsion from United's. The community of United's has a moral responsibility to protect the rights, welfare and safety of individuals against the destructive effects of illegal substance use. This includes use of illegal drugs away from the residence and then returning to United's.

14.6 Fireworks and Weapons

The use of firecrackers, fireworks, smoke bombs or similar explosives is prohibited by law. Any use of these articles on United's property will not be tolerated and may result in immediate sanctions, which may include the expulsion from United's. It is forbidden to have firearms and/or other weapons or replica firearms and/or knives on campus. Failure to comply with the preceding may result in immediate expulsion from United's and/or the matter being referred to the police.

14.7 Health Emergencies

<https://uwaterloo.ca/health-services/>

University of Waterloo Health Services can be contacted at 519-888-4096 and is open Monday-Friday with a doctor on call at all times.

Where the situation warrants, seriously ill or injured students should be taken directly to Emergency at:

Grand River Hospital	519-749-4220
St. Mary's Hospital	519-744-3311

14.8 Fire Safety

No fire setting in or around the College is permitted. The burning of candles or incense is not permitted. Fire exit and residence doors must not be blocked to prevent entry or exit. Bicycles may not be kept in a residence room or hallways due to fire regulations. In case of fire it is important to empty the building quickly and in an orderly manner to avoid panic. There are unannounced fire drills each term. Know alternate exit routes from your floor.

Fire exit locations are posted on each floor.

In Case of Fire:

- Sound the fire alarm;
- Leave the building immediately;
- Make certain windows and doors are closed behind you;
- Go to the form-up area identified by your Don at the beginning of the term;
- Do not re-enter the building until permission is given by the Fire Department.

14.9 Campus Lockdown

You will be notified of a lockdown procedure through one or more of the following:

- Pop-Up Notice on your UW networked computer;
- University of Waterloo website;
- Text message to registered cell phones;
- Voice mail broadcast;
- In person notification by police.

If a lockdown occurs, secure an area as follows:

1. Move immediately to the nearest room you feel is safe with as many people as possible;
2. Lock and barricade the door;
3. Turn off the lights or maintain minimal lighting;
4. Cover all windows with blinds, curtains, etc.;
5. Keep back from windows and doors;
6. Lie flat on the floor or take cover out of sight;
7. Turn off cell phones except to report injured people;
8. Keep calm and quiet; and,
9. Stay in the room until police arrive. Remember it may be several hours before you can be safely evacuated.

If someone is injured follow these steps when safe to do so:

- Call 911 or 519-888-4911 or ext. #22222, from a hard-wired line if possible.
- Place a sign in an exterior window to identify the location of the injured people.
- Call 911 or UW Police 519-888-4911 or ext. #22222 for all campuses. You may access www.uwaterloo.ca for information.

- Co-operate with the criminal if necessary;
- Note physical key features of criminal;
- Take direction from police or college official;
- Make no statement to media or public about the incident;

14.11 Life Threatening Emergency

If you witness an accident or incident with probable death do the following:

- Call 911;
- Apply first aid or CPR, if possible;
- Inform College administration;
- Write down name of additional witnesses;
- Comply with police and medical staff.

14.12 Severe Weather Warning

Listen to the radio for weather warning. Follow these precautions:

- Gather flashlights, batteries, blankets, and a battery-operated radio, and first aid kit;
- Make sure exits are not obstructed or locked;
- Meet in STP 105 or the basement of your floor;
- Comply with the instructions given by Residence Life Team;
- Do not leave STP 105 or the basement until permission has been given by College authority.

14.13 Electrical/Water Failure

- Alert the Student & Guest Services Centre or a Don of the kind of failure;
- The Residence Life Team will keep students informed as to the duration of the failure.

14.14 COVID-19 Outbreak Response

In cases of isolated COVID-19 exposure, the student self-isolating may choose to self-isolate in residence or find another suitable location to self-isolate (see above).

In the event that multiple COVID-19 cases are linked to exposure within the residence, United's will implement its outbreak response based on guidance from our Public Health unit, the University of Waterloo, and laws set by the provincial and federal governments.

The response may vary but could include:

- Self-isolation of all students on a floor;
- Suspension of activities and events;
- Closure of common rooms;
- Take-out only dining at Watson's Eatery;

In extreme situations where it is deemed to no longer be safe or the extent of the outbreak becomes unmanageable, students will be asked to leave residence and compensated accordingly and fairly.
