Announcement & Call for Papers
12th Biennial Symposium on
Information Integrity and Information Systems Assurance
(plus special workshops on topics TBA)

October 14-16, 2021
CPA Canada and/or Online
277 Wellington St W, Toronto, Canada

The Centre for Information Integrity and Information Systems Assurance at the University of Waterloo (UW CISA) is pleased to announce its 12th biennial symposium to be held in Toronto, Canada. Our symposia are recognized for the extensive interaction between practitioners and academics. Papers and panels are invited from academe and practice addressing risks, controls and assurance issues associated with the following topics:

- Cybersecurity/privacy
- IT Governance
- Data Analytics and Big Data
- Information Integrity and Information Assurance
- Machine Learning and AI
- Crypto Currencies and Online Payment Processing
- Blockchain technology
- Internet of Things
- Mobile/ubiquitous computing
- Social Networks and Media
- Outsourcing/cloud computing/SOC
- Audit Automation/Robotic Process Automation

Although papers on the above topics will be given preference, papers on other relevant IS/IT assurance topics will be considered. Both private sector and public sector issues are of interest. All research methods are welcome. Papers will be subject to blind peer review by academics and practitioners. Selected papers will be published in the International Journal of Accounting Information Systems (IJAIS) subject to editorial review and approval. Travel expenses will be subsidized for one author of each accepted paper, reviewers and discussants.

Submission deadline is June 1, 2021.

Conditions of submission: 1) authors must certify that their paper is not under review elsewhere; 2). papers must be submitted with a 300-500-word summary addressing the practical implications of the research; 3) authors of submitted papers will agree to review at least one other submitted paper; 4) papers must adhere to the editorial style of IJAIS; and 5) papers must be submitted in MS Word format NOT pdf to facilitate electronic review and commentary by reviewers.

For more information contact Prof. J. Efrim Boritz jeboritz@uwaterloo.ca.

Notice of acceptance will be sent by July 15, 2021.
Papers accepted subject to revision must be revised by August 31, 2021.
