# Call for Papers
## 1st International Conference of the Journal of Information Systems
## Conference Date: October 15-16, 2020

The *Journal of Information Systems (JIS)* is the academic journal of the Accounting Information Systems (AIS) Section of the American Accounting Association. Its goal is to support, promote and advance accounting information systems knowledge. The primary criterion for publication in *JIS* is contribution to the accounting information systems, accounting and auditing domains by the application or understanding of information technology theory and practice.

This special issue conference is meant to encourage accounting information systems researchers around the world, especially outside the United States, to submit their original academic papers to *JIS*. More importantly, this special issue would like to highlight the unique institutional contexts in different countries and regions that can further our understanding of accounting information systems research.

Detailed program, travel and logistic information will be provided to conference participants and can be found on the conference website https://www.ec.ccu.edu.tw/2020.JISC.

**Topics and Research Methodologies**
Papers addressing a wide range of issues related to accounting information systems and information technology will be considered. All research methodologies are welcome, including experimental, qualitative, field study, analytical, behavioral, archival and design science.

**Paper submission**
Papers to be considered for this conference should follow the *JIS* editorial policy and be submitted to *JIS* using the AAA's manuscript management system (https://www.editorialmanager.com/isys/Default.aspx) and by selecting the corresponding conference article type. Also, please provide a cover letter indicating your submission is for the conference. Submission fees can be paid at https://aaahq.org/Research/Journals/Information-for-Authors/Online-Payment/productcd/ISSUBM. Papers accepted to the conference will receive a strong consideration for acceptance to *JIS*. Research teams are expected to improve their papers following the guidance from the reviewers and from the interactions at the conference. Recognition of the paper's inclusion at the conference will be noted if the paper ultimately reaches publication.

**Deadlines**

May 31, 2020: Research papers due. Early submission encouraged.

July 31, 2020: Author notification.

October 15-16, 2020: International Conference of the *JIS,* National Chung Cheng University, Taiwan.

Resubmission deadline for revised papers TBD. Publication of accepted articles is tentatively scheduled for Spring 2021.

If you have any questions, please contact the co-editors of the special issue: Dr. Tawei Wang, david.wang@depaul.edu or Professor Shi-Ming HuangRob, smhuang@mis.ccu.edu.tw, or the *JIS* editorial office at JIS@aaahq.org.
