Wednesday, January 23, 2013

8:30 am - 2:30 pm

University of Waterloo

Davis Centre (DC) 1301 & 1302

ELECTRIC VEHICLE LEADERSHIP FORUM

The forum brings together representatives from local electric distribution companies, uWaterloo researchers, and supporting partners to discuss the latest utility-related electric vehicle (EV) research and explore collaboration pathways based on the Drive4Data initiative.

Please join us as we investigate the potential to support the emergence of EVs in our local distribution systems.
