Stalled Items

Standing Items

AD Consolidation Update	Nevil
------------------------------------	-------

Faculty Updates

AHS - Lowell •

Agenda

Arts – Nevil

- Too many files DFS issues
- SCCM Imaging

Computer Science - Steve

-

Engineering – Ray

-

-

Environment – Bernie

IST - Dave

-

IST – Manfred

- Training completed on operating system deployment using SCCM
- Planning workshop on silent/unattended installs and “tricks” used to tackle SW deployments
- Mac management using Parallels/SCCM SW deemed successful by AHS and ENV. Are negotiating price now.
- WS team coordinated 107 SW deployments, updates and patches to Academic Support throughout 2015 (logged here: <http://windows.uwaterloo.ca/Managed/SWdeployment.asp>)
- Starting conversations about a W10 project for Academic Support
- Also beginning discussions about MS Office 2016. (Already deployed to the Library)
