Member-Submitted Motions

6) Conduct of Remembrance/Armistice Day Commemorations (Nasir Nurbhai)

FOR DISCUSSION

Nasir is concerned at the lack of acknowledgement of Remembrance Day at the University of Waterloo. He hopes that WUSA will commemorate the occasion and pay a proper homage to the day.

7) Exam Scheduling Prior to Course Selection (Johnathan Hernes)

FOR DISCUSSION

Johnathan raises the issue that students are unable to know any information about the scheduling of exams when they are choosing their classes.

8) Proposal for Fed Bus to Ottawa (Helen Engelhart)

MOTION – No opinion given by the Board

Whereas the Fed Bus to Ottawa leaves at 1:30 PM on the Friday before Reading Week, thereby leaving before midterms are over, and

Whereas this causes many midterm conflicts and thus prohibits many students from signing up for the bus even though it is the most convenient way home, now therefore,

Be it resolved that the time that the Fed Bus to Ottawa departs before breaks be changed to the morning after midterms end, so that any student living in Ottawa can sign up for the bus without midterm conflicts

9) Cyclist and Pedestrian Protection (Nasir Nurbhai)

FOR DISCUSSION

Nasir brings forth the idea of designated bike lanes around campus, including a lane that would pass straight through campus and avoid both pedestrian and automobile traffic.
10) Payment of Membership Fees While on Work Placement (Mikaela Ney)

**FOR DISCUSSION**

*Mikaela has been assigned to work 5 hours away from campus and all its amenities, but is still being charged full ancillary fees and tuition. Mikaela requests that some thought be assigned to who is paying fees and why.*

11) Clubs Fee and Clubs Funding (Hunter McHugh)

**FOR DISCUSSION**

*Hunter noticed that not the entire amount of the WUSA Clubs Fee on the quest statement goes toward the $75.00 clubs guarantee. Hunter would like to discuss this and ask for an explanation of how clubs fees are spent on campus.*

12) Recognition of Recent Developments in E-Cigarette Dangers (Nasir Nurbhai)

**FOR DISCUSSION**

*Nasir is concerned about the risk associated with e-cigarettes, as informed by the Center for Disease Control and Health Canada. Nasir will begin a discussion that raises awareness and bring recent knowledge to those who may not have it.*

13) Discussion on UW Efforts to Improve Sustainability and Environmental Protection (Nasir Nurbhai)

**FOR DISCUSSION**

*Nasir wants to hear about what efforts are being made by the University of Waterloo and WUSA to develop sustainably and foster environmental protection as they move forward into the future. Nasir requests the presence of representatives of Plant Operations and the Sustainability Office to bring more information on the University’s initiatives to members attending the general meeting.*

14) Where to Take Lost WatCards (Nasir Nurbhai)

**FOR DISCUSSION**
Nasir thinks more can be done to inform people of where lost Watcards can be returned. Not all know that they can be returned to the Turnkey desk! First year students, especially, would benefit from an email containing this and other information that is important in their university career.

15) Erection of a Temporary Structure on the Bomber Patio (Joshua Goldschmidt)

**MOTION – Recommended for rejection**

Be it resolved that a temporary structure be erected in the Bomber Patio to provide more shade and a nice atmosphere.

Be it further resolved that the structure would be temporary, until first snow, with at least three flimsy walls.

Be it further resolved that it shall be reused annually, have a thatched roof, and that it be built within one week of the AGM.

16) Adjournment

**MOTION**

Be it resolved that the assembly adjourns the meeting at 11:59 P.M.
