

Each of the following pages has a picture of three different objects on it. The two objects at the top of the page are labeled A and B. The bottom object has an arrow pointing to it.

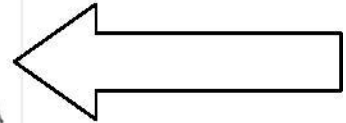

Decide whether object A or object B GOES WITH the object that has the arrow pointing to it. Circle your choice, A or B. Do not spend too much time on any single item. There are no right or wrong answers.

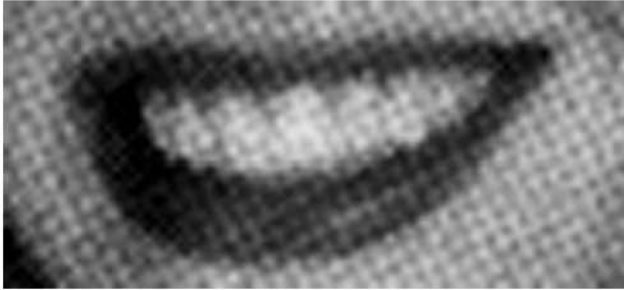

A

B

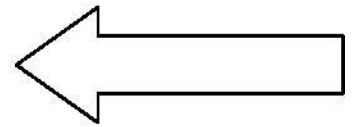

What goes with this ? A or B
