

SIDE PROJECTS

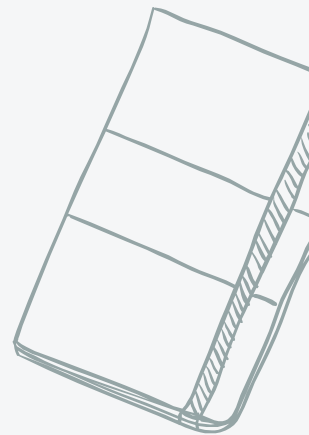

HELLO!

I am Anjali :)

I am in my 3A term of CS and I am pursuing a specialization

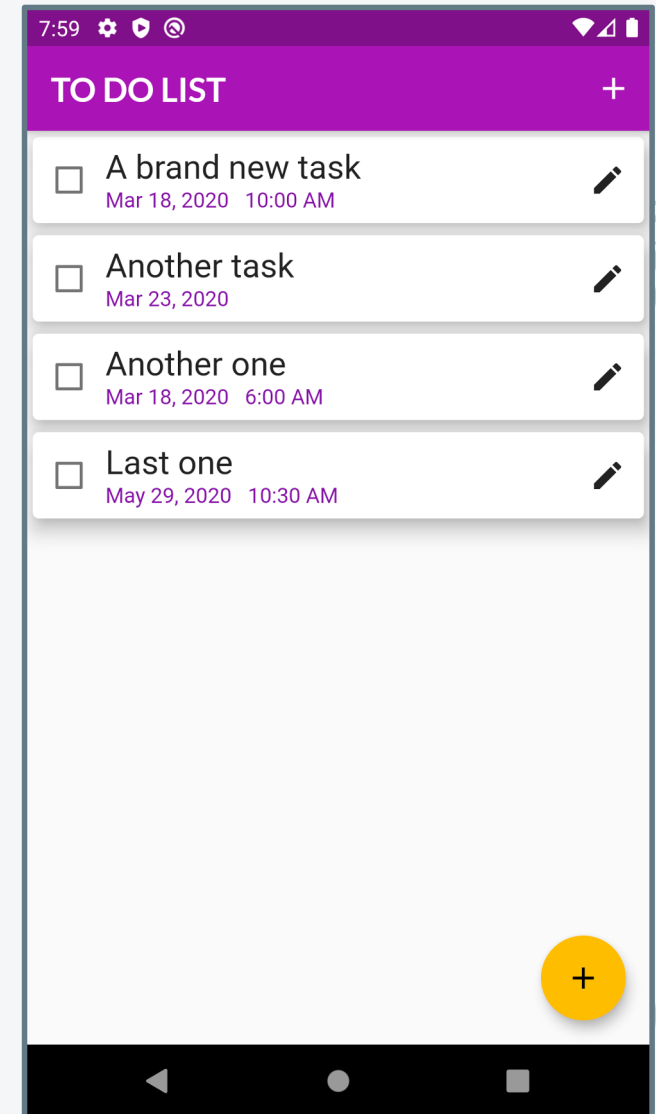

1. WHAT ARE SIDE PROJECTS

WHAT ARE SIDE PROJECTS

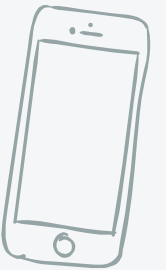

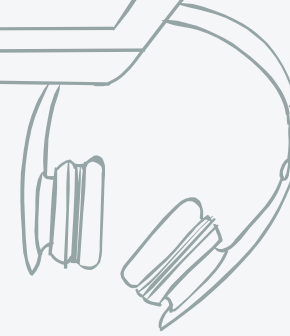

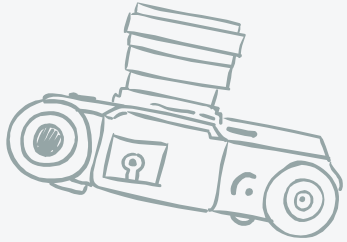

Projects that one does on the side of school or a full-time job

2. WHY SIDE PROJECTS

*As a first year student with no experience,
side projects are the only real proof of your
skills*

3. HOW TO GET STARTED

MAKE A GITHUB

Code hosting platform for version control
and collaboration
