

ARE YOU A GIRL WHO IS READY TO CHANGE THE WORLD?

JOIN THE WATERLOO CHAPTER OF TECHNOVATION GIRLS!

Technovation is a 12-week competition for female, trans, and non-binary youth between 10-18. In the program you will work within a team to solve problems that matter to you using technology. You'll develop skills to help you no matter where your career takes you—like collaboration, problem solving, and leadership. You'll have fun, too!
