Notes from the Reviewer to the Writer

What do you think is working well in this piece of writing? What two things would you change? How would you change them?

My (the Writer's) Post-review Discussion Notes

What did my reviewer say that was helpful to me as the writer? What questions do I have about the feedback that I should ask my instructor about?

Action Plan

How will I (the writer) incorporate my reviewer's suggestions into my revisions? What steps will I take next?
