

HOW CAN FOUNDATIONS DRIVE IMMEDIATE TANGIBLE CHANGE FOR YOUTH-LED ORGANIZATIONS?

Increase Funding for Youth-Led Organizations

Provide larger funding amounts that cover living wages, operational costs, and mental health resources.

Allocate funding to radical, political work and non-registered organizations, ensuring flexibility to address evolving needs and prioritize youth well-being.

01

Share Power in Funding Decisions

Partner with young people in funding decisions, actively addressing power imbalances to ensure equitable collaboration.

02

Foster Leadership and Collaboration

Support young leader convenings and foster intergenerational collaboration, while promoting transparency by disclosing funding sources.

Widely promote funding opportunities to engage diverse youth leaders and movements.

03

Offer Flexibility and Support

Provide creative freedom and flexibility in reporting requirements, encouraging innovative ideas and addressing the diverse needs of youth-led initiatives.
